An amazing weekend in the middle of Sherwood Forest, with indoor accommodation in a Log Cabin. You will be picked up from a central point when loaded up you will head for Sherwood Forest after settling into your accommodation we will have supper.

After Breakfast our first activity will be Archery, a must do whilst in Robin Hood Country, followed by Crate Stacking and a Bush Craft Lunch. After lunch its Quad Biking and Caving, before preparing a fancy sit down Dinner. Later that evening we will be taking part in a Camp Fire, Wide Game or Night Exercise!

In the morning, we will clear away and try out Slack Lining. We will then head over to Clumber Park, an expanse of parkland, covering more than 3,800 acres. It was once the home of the Dukes of Newcastle. Although the house was demolished in 1938, there are many glimpses of its grand past to explore and we will be exploring the grounds on mountain bikes, before we head of home.
