Level 1 Problem Solving

PLAN > Do > Review

What is the problem you have been given?

Why do you need to try to solve the problem?

How will you know that you have solved it? (i.e. What will be different? What would be a good outcome?)

Who have you talked to about the problem? (i.e. To make sure that you are clear about the problem)

Name:

Role/Job:

Give at least two different ways of tackling the problem:

One way:

Another way:

Other ways:

How did you come up with the different ways of tackling the problem? (e.g. I learnt about different ways of solving the problem, thought about similar problems I have had before)

"I confirm that the candidate has:

- *checked they are clear about the problem and how to show success in solving it*
- *identified different ways of tackling the problem."*
