Level 1 Problem Solving

Plan > Do > REVIEW

Did you solve the problem?

- Yes
- Partly
- No

What advice and support did you use when following your plan?

How did you check the problem had been solved? (e.g. I talked to my tutor, and tested that it worked)

What do you think went well about the way you tackled the problem? (i.e. what happened, time spent thinking about different ways)

What do you think went less well in the way you tackled the problem? (i.e. difficulties you didn't expect)

What does your tutor/supervisor say you need to do to make your problem solving skills better? (e.g. Find out more about a problem, come up with options, plan and follow the plan, check the problem has been solved)

"I confirm that the candidate checked that the problem had been solved, and has appropriately reviewed their approach."

Witness/assessor (signature):
