

Angela, Christina and Mia Varney

Angela, 18

Christina, 16

Mia, 7

The Varney sisters, Angela (18) Christina (16) and Mia (7), lost their mother in 2015 when she took her own life. They started a kindness campaign called Annie's Kindness Blankets to honor their Mom. Their mission is to help those in need, suffering from depression, other illnesses, and struggling in life. They provide them with a blankets they make and a message of hope and kindness. Mia calls the blankets a “delivery of hugs”, and they have distributed over 1200 blankets.
