Counseling Fees

**Effective 2017*

Counseling services may or may not be covered by your specific insurance plan. Please contact your network representative to determine your coverage if you are uncertain.

If services are covered AND you have a qualifying mental health diagnosis, ORD will bill your insurance for counseling services. Oak Roots Dynamic is IN NETWORK with the following insurance plans:

MEDICARE

BLUE CROSS/BLUE SHIELD (PPO only)

If services are not covered, we are out-of-network, you have deductibles, or you do NOT have a qualifying mental health diagnosis, you can pay out-of-pocket for counseling services from ORD. Our costs are as follows:

Individual Counseling = \$120/session

Couples Counseling = \$120/session

Family Counseling (3+ people) = \$160/session

We understand counseling can be costly for some people. Oak Roots Dynamic is proud to offer reduced cost sessions through [Open Path Collective](http://www.openpathcollective.com). Visit www.openpathcollective.com for more information about affordable counseling options.
