CHD's Disability Resources has partnered with Unity Dance Spectrum Studio for the last 5 years. The dance class runs from September through May. We perform in the studio's Christmas show in December & in the recital in May. This class is open to all people with Disabilities and their siblings & friends.

We ask you to dress in dance clothing.

We look forward to having you dance with us!! Please remember the CHD's Disability Resource program encourages Independence but if you need 1 on 1 help we ask you to bring your own. We offer some help and instruction.

*If you are out of High School but would like to participate, please call and we'll do our best to accommodate
