

Make a nest and some little eggs to go in it.

Roll the play-dough into a long sausage shape and then coil it round to make a nest. Pinch off some more play-dough and roll it between your fingers to make the eggs.

Make different shapes out of the play-doh. Try to make as many as you can.

Make a snake. Make sure you use both hands. Now roll it into the shapes shown here.

Peg pegs onto a paper plate to make a sunshine or a face.

See how fast you can attach 10, 20 or 30 pegs onto a box

Peg the pegs onto different parts of your clothing. Try on the cuffs of your collar, the neck of your jumper, and the ankle of your trousers.

Thread small beads and / or small pasta pieces onto a lace. Try lacing cards / boards. Cut up straws and thread these onto a lacing.

Place 2 large coins/circle shapes in the palm of one hand. Try posting one while the other one remains in the palm of your hand. Then post the other one.

Squeeze a plastic bottle or bath toy in water to make bubbles. Then squeeze the bottle to squirt the water

Using a spray bottle to spray water onto plants; or try to hit a target.

Lace different shapes. Lace the letters of your name, or a photo of your face. Make sure you go over and under.

Cut along a straight line, then move to cutting L shape, triangle, square and circle shapes. Cut different textures like straws, sandpaper or cardboard.

How many times can you collect with tongs?  
What can you pick up? E.g. little cars, balls, bricks.  
Can you move an item from one place to another? How far can you carry an item in tongs?

Can you try picking up raisins or plastic buttons with tweezers?  
How about trying to put these items in a bottle to make it a bit trickier.
