| Lego Therapy	Who is doing what?

Engineer

My job details:
Look at the plans
Describe the bricks
Tell the Supplier what pieces to find
Tell the builder where to put the bricks
I never touch the Lego

Supplier

My job details:
Listen to the Engineer
Find the correct piece of Lego the Engineer asks for
Give the Lego to the builder
I don't build the Lego

Builder

My job details:
Get the Lego from the Supplier.
Listen to the Engineer so I know how to put the pieces of Lego together
Build the model
