

MTMA
 Manheim Township Music Association

PTO Grant Proposal

MTMA is committed to supporting music related activities and programs across our school district. A portion of our budget is allotted to support music programs initiated by PTO's. In an effort to keep our support evenly distributed among our schools, we consider requests twice a year at the MTMA General Meetings. Each grant request must be submitted three weeks prior to the General Meeting at which it will be voted upon.

2015-2016 General Meeting Dates

November 3, 7PM, at the High School
