## Testimonials

---

**Nick and Tracy brought their excellent Vietvan to IPR London's aw16 press days serving over 300 of the UK's top press, stylists' influencers and bloggers. Their food speaks for itself, fresh delicious, authentic and most importantly very tasty.** Jessica Leyton, Events Director, IPR

**Amazing fresh and delicious food. I have recommended to everyone I know. As a vegetarian it can be hard to find something delicious at such a busy event that is light and healthy - the Vietvan nailed it!**

William Edward, OMYO

## Nick & Tracy

---

Having travelled extensively across South East Asia, Nick and Tracy discovered a passion for Asian cuisine, particularly Vietnamese food. Trained by street food chefs and enrolling on local cooking courses within Asia, they took the knowledge they gained back to the UK with their interpretation of the Vietnamese banh mi!
