

The Concord Creed

At Concord Academy Boyne, not only do we strive to bring forth your child's academic growth, but we also guide their personal and social growth as well. Concord students are nurtured and cared for in a way that leads them to become responsible, caring citizens and decision makers. The Concord Creed is at the core of our expectations for our school community. The Concord Creed states:

Concord means peace, harmony. Peace in the world begins with Concord in my world and that can only happen as I am honest, unselfish, generous, kind, forgiving, considerate, and respectful.

Concord Academy Boyne will provide an inspiring and challenging education conducive to critical and creative thinking by integrating a strong fine arts program into a traditional academic program.

Fine Arts Education

- » Fosters imagination and creativity
- » Builds self-esteem
- » Enhances coordination and concentration
- » Spatial-temporal reasoning is developed through music instruction, the key to understanding math and science

Fine Arts Programs

Elementary Music

Elementary students participate in our music program, which allows children to learn music through singing, chanting, clapping, movement, and dance. Students perform two concerts each school year.

Art

All students take visual art classes. Students work through several different mediums and techniques to strengthen their talents and develop new ones.

Band & Choir

Students in grade 5 and up participate in both Band and Choir classes, performing in at least two concerts per school year.

Dance & Drama

Students in grades 6-12 also take dance and drama classes. The students learn various styles of dance, ranging from historical or cultural techniques to Ballet or Modern Jazz. In drama students explore all elements of theatre including set design and costuming, ending with a performance.

High School

- » High school students follow the Michigan Merit Curriculum in addition to their study of the arts.
- » Students may also dually enroll at NCMC, receiving both high school and college credit. Some classes are concurrent (offered on campus here).
- » Online learning opportunities are available.
