

# WELCOME TO THE Jewel

The Jewel is one of the most unique 18 hole courses in the United States and Grand Hotel is ranked as a top northern U.S. golf resort by *Condé Nast Traveler*. Enjoy unparalleled scenic beauty, lush landscaping and meticulously manicured tees, fairways and greens. The Grand nine is located across the street from the hotel, the Woods nine is set in the interior of Mackinac Island, both with views of the Straits of Mackinac and the Mackinac Bridge. Warm up for your round of golf on two practice putting greens and a driving range net that can accommodate up to four players.

After completing the Grand nine, you and your clubs will be transported via horse-drawn golf shuttle at no charge a mile and a half to the Woods nine. The leisurely 15-minute ride includes parts of the island unseen by many visitors.

The Grand nine was built in 1901 and redesigned in 1987 by golf course architect Jerry Matthews. He also designed the Woods nine, added in 1994. Jason Horricks, a PGA Certified Instructor, is available for private lessons. The Jewel is open to the public. Rental clubs, golf carts and pull carts are available.

The pro shop, located at the Grand nine, sells logo merchandise as well as a full range of equipment.

Before or after your round of golf, enjoy lunch and dinner options at The Jockey Club at the Grand Stand, located on the first tee of the course, or dinner at Woods restaurant, a Bavarian style restaurant located near the 10th tee. Both are casual dining options with interior bars serving cocktails. You can also call ahead and order a box lunch from either restaurant to enjoy while on the course.
