...the most breathtaking venue for any type of event.

Your wedding will have the elegance of a by-gone era. The character of our venue is displayed with a terra cotta roof and verdigris copper accents that are trademarks of the Tudor Revival Style architecture. Your Wedding can be held inside the Carriage House with up to 160 guests or, seasonally, under the high peak tent placed in the garden for up to 300 guests.

High Gate Carriage House dates back to 1908, built by businessman James Edwin Watson as part of the Watson family estate named High Gate. Designed by Horace Trumbauer, architect for The Biltmore Estate, High Gate is on the National Register of Historic Places. The Carriage House and extensive gardens now serve as a lovely venue for events, business meetings and festivals.

We proudly work with the top professionals in the industry for your catering, floral decor, and photography needs.
