# *Revitalize*

Your Overall Wellbeing  
with Vital Hydration's IV  
Infusion Treatments

TIME TO  
*Hydrate*

Vital Hydration is a Leading  
Provider of Wellness  
IV Infusions

**IV Therapy Works Fast**

IV treatments go directly into the bloodstream providing immediate benefits to the body. By avoiding the digestive system all nutrients are delivered directly to the cells. Whether you're looking for rehydration or an immune system boost you will immediately feel the benefits of IV infusion therapy.

# Vital HYDRATION

## *Vital Hydration's*

Seven IV infusion treatments treat a variety of wellness needs by replenishing hydration, boosting immunity, aiding recovery, providing hangover relief, restoring vitamin and nutrient levels, refreshing cosmetic appearance, boosting metabolism, and rejuvenating your overall wellbeing.

### AQUA VITA

The Aqua Vita utilizes the power of Vitamin B. This infusion gives you a boost of energy that will last throughout your entire day.

**Revitalize your body and restore it back to its full potential.**

## IMMUNITY

Maintain your health and vigor with the immunity infusion, our immune boosting blend of nutrients and antioxidants.

**A strong immune system is the key to a vibrant appearance and a healthy lifestyle.**

## DETOX REBOOST

The Detox Reboost is a specially blended infusion designed to revitalize, reenergize, and recover after a night out on the town.

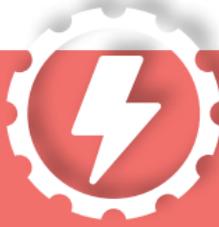

**Get the boost you need to get back in the game.**

## VITALITY & YOUTH

The Vitality and Youth infusion has the propriety blend of glutathione, electrolytes, and vitamins that will put a spring in your step.

**Keep and maintain your vitality and stay feeling forever young.**

## ENDURO

The Enduro infusion is formulated for the competitive athlete, adventure racer, and tri-athlete. It adds essential electrolytes to your body so it can achieve peak performance without fatigue.

**Stay in the game longer.**

## SLIMMING

The Slimming infusion is scientifically formulated to provide your body with the metabolism boost it needs to maintain your summer physique all year long.

**Achieve and maintain your summer physique.**

## ULTIMATE

The Ultimate, our signature infusion, is an all-inclusive therapeutic blend. Providing benefits of anti-aging, hydration, and performance boosting.

**Give yourself the Ultimate advantage.**
