Welcome from the Chairperson

Dear *Player*

On behalf of Nuneaton Volleyball I would like to welcome you to the club. We offer a wide variety of volleyball throughout the club, from juniors and beginners all the way through to adult national league.

We offer training and matches to anyone who wishes to participate within the sport of Volleyball. We have 4 levels of membership in the club:

- Casual Membership, for those who wish to train and learn the sport to become a better player.
- Playing membership, for those who want to train and play matches with our teams.
- Full Member, for those who are committed to the club, want to train, play matches and receive all the benefits of being a full member of the club.
- NVL Member, for those participating within our national league structure who also gain all benefits of being a full member of the club.

We have a strong team of well developed coaches to run training sessions and to manage your team during matches. We actively promote volunteering within the club, whether that be by joining the clubs committee or refereeing/coaching courses. All volunteers are supported, mentored and most importantly valued as a crucial aspect of the success of the progressive development of the club.

We would like to extend our welcome by offering any new members a month's FREE volleyball through September.

Here's to a fantastic season of volleyball and I look forward to seeing you soon.

- As a “playing member” you will need to pay your £40 registration fee to be eligible for matches.

- As a member of the club you have access to join the committee and influence how the club is run, we eagerly encourage you to join and help out in any way possible.
