

EXCERPTS FROM THE WASTE ACCEPTANCE POLICY

1. **Local Commercial Waste** may be **accepted** at a transfer station, providing the waste is delivered **in a ½ ton type vehicle or other similar sized vehicle and complies with existing dimensional restrictions** in place at Transfer Stations. Larger loads shall be delivered directly to the Regional Landfill.
2. **Caroline Commercial Waste will be accepted at the Caroline Transfer Station** along with the Residential Waste delivered by the Village staff or designated collection contractor.
3. Small loads of **Local Demolition Wastes (i.e. loads delivered in a half ton or similar sized vehicle)** may be delivered to the transfer stations free of charge. Larger loads and Non local loads (i.e. Demolition Waste generated from outside the boundaries of the County) shall be delivered directly to the landfill and shall be charged a fee in accordance with the Schedule.
4. Residential Solid Waste generated within the boundaries of the County and the Municipalities within it will not be charged a fee. **Local Residential Solid Waste can only be taken to transfer stations if the size/volume of the load can fit into a ½ ton type vehicle or other similar sized vehicle and complies with existing dimensional restrictions** in place at Transfer Stations. Larger loads shall be delivered directly to the Regional Landfill. Commercial haulers of Residential Waste from Rocky Mountain House will deliver directly to the landfill. Residential Waste generated from outside the boundaries of the County will be charged a fee in accordance with the Schedule or an agreement entered into between the Waste Authority Board and the waste hauler or the generator.
