A NEW YEAR A NEW LOOK

A fresh new year is a perfect time to introduce other new beginnings. One fresh idea is a new church logo.

One of the few things churches have learned from the secular world is the concept of brand recognition. Whether it is John Deere, Wal-Mart, or some other iconic brand, people recognize their company logo. And unless their corporate logo is iconic and has been around for 100 years or more, they change their brand every few years to keep things fresh. Corporate America has spent billions of dollars to learn this concept. Churches are letting them spend all the money and we are benefiting from their research.

At White Hall, we want people to recognize our logo and automatically know that it is our brand. You will notice in the new logo below the "W" and the "H". But what stands out the most is the crimson red cross.

As people see our logo all across town, we hope this will make people automatically think of White Hall Baptist Church.

FROM THE PASTOR

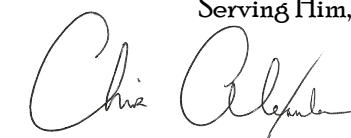

A new year brings always seems to bring about two emotions. One emotion is excitement. The beginning of a new year is a time for change and the introduction of new things in your life. Most people make new year's resolutions, only to break them after a couple of weeks. But a new year gives you an opportunity for a fresh start in areas of your life that you would like to see changed. That is a good thing. It is important to self reflect and throw away the things in your life that do not belong and add the things that should be there.

The other emotion that I think of is sorrow. Another year has passed and we reflect on what could have been. The days that we cannot get back. Sorrow and regret can be a positive however. Use it as motivation to make healthy changes in your life.

Make 2015 a year of no more sorrows, no more regrets. Live it for Jesus!

Serving Him,

Thank You! Love, Joy, & Peace, & Hope

I thank God for all of you and for your love, kindness, and generosity, not only at this season of Christmas, but all through the year.

Phyllis and I pray that this New Year will bring spiritual joy for you that only God can give. May your relationship with Him be strong and solid as we worship Him in Truth and Spirit. Joh4:23-24 says: "Yet a time is coming and has now come when the True worshipers

will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in spirit and in truth."

We don't know what is going to happen in this New Year but I pray that the Lord will guide you and help you and give you hope and peace. May our lives bring glory to His name in 2015!

Jim
