

FROM THE PASTOR
REVIVAL

The week of April 22-25 we will have Evangelist Bob Pitman with us for a special revival. Dr. Pitman is well known in our area and it is a great honor to be able to have him come to White Hall. After retiring from being the pastor of Kirby Woods Baptist Church, he became a full-time Evangelist and he stays in demand years in advance. I was able to invite him a couple of years ago and this April he will finally be here to preach our revival. He has preached over 900 revival meetings and Bible conferences in the USA. He will bring his fifty-four years of preaching experience to White Hall to share God's amazing love and our need for repentance. I hope you can come to each one of our revival services, and make sure you bring someone with you. I pray that we experience genuine revival that lasts and spreads.

Serving Him,

Brother Chris

WORSHIP RENEWAL

The last few weeks "Worship Renewal" has been circulating amongst us. I picked up the recent Baptist and Reflector, and there was an article on "Keys to Worship Renewal". All churches need renewed worship at times because renewal fuels revitalized churches.

Altering worship style is not a magical pill to renewal. Let me take you back to the basics - (1) what is worship? (2) How is it renewed?

In Matthew 6:21 Jesus said, "Where your treasure is, there will your heart be also." We are designed to find ultimate satisfaction in our Creator. In other words, we are wired for worship but at times our wires get crossed. While in this fallen state, our "default mode" kicks in, and we seek other things to satisfy our longing for God. Only through Jesus Christ is our worship renewed because He empowers us to seek first the Kingdom of God. Our worship of Him is continuously renewed. He forms us and re-forms us; shapes us and reshapes us in the renewal process.

Our worship practices are the means God uses to deepen our affection for Him and to Him. As we lift our voices in fervent praise, our hearts draw nearer to our Father. Humble adoration and praise bring a deeper and greater satisfying and steadfast faith.

You and I as God's people (the Church) can strengthen our worship services by loving Jesus more and participating in ALL the areas of worship - singing, praying, giving, preaching and serving.

Join us Easter Sunday morning as we celebrate His Resurrection as the adult choir presents "Calvary's Love". You truly will be blessed and renewed and satisfied.

In Christ Alone,

Bro. Jim

Luke 2:40-And the Child grew and became strong in spirit, filled with wisdom and the grace of God was upon Him. The words were spoken about Jesus as He grew up from a baby to a young boy and began to take His place in the mission God had planned for Him. Our White Hall boys and girls are growing and learning as they participate in Sunday School, Awana and Bible drills. They are gaining wisdom as they participate in these activities; learn to listen and to follow God's voice as they seek His plan for their lives. We invite all children to come and be a part of this very special time in their growing years. We had fun at the Easter Egg hunt on March 25th, and look forward to our Picnic in the Park on April 22, 12-2pm. We will be celebrating Earth day by picking up trash around the park, playing, having a picnic and enjoying God's beautiful earth.

Through Christ

Sarah Campbell

Our youth had an awesome spirit filled weekend at Youth Evangelism Conference. Around 700 kids invited Christ into their lives. Numerous other decisions were made that changed hearts and lives. Our youth are a great bunch of kids and we invite any and all youth that do not have a church home to join us as we continue to grow in spirit and our walk with Jesus.

The youth praise team sings every 3rd Sunday and we invite you to come worship with these young people. We will be having a "Live your Witness" day on April 15 as we canvas neighborhoods, speak and pray with people.

Proverbs 20:11-Even a child is known by his deeds. Whether what he does is pure and right. The WHBC youth and youth ministry team are doing their best to be known by working for God. We ask for your prayers as we seek God's will in our efforts.

God Bless

Sarah Campbell
