

FROM THE PASTOR

If you pay attention to the news at all, you might wonder how everything that is going on fits into God's plans for the end of times. The way things are shaping up, it appears that Christ's return could be very near.

Daymond Duck is an expert on Eschatology, the theological study of the end of the age, and he will be here for a seminar to explain what the end of days will look like and how things are shaping up today to usher in the last days. The seminar is simply titled, "Last Days." He will be here Sunday morning, August 23rd, and then be back Monday through Wednesday evenings at 7:00.

This will be more of an educational seminar, rather than a revival worship service. We will allow him as much time as possible to share all the data that he has collected to teach us. At the conclusion of the week night seminars, a time of question and answer will be provided for those who want to stay for further information. This seminar will educate each of us and prepare us for what is still yet to come in our temporary home here on earth.

Serving Him,

Brother Chris

Last Days Seminar

Coming August 23-26
 with Daymond Duck

Sunday Night, August 23rd, Joe Arview from Missouri will be here to present a Christian Concert at 6:00 pm. Joe has a great voice and a wonderful Christian testimony.

Joe says "Life is certainly filled with good people. And God has a way of making our paths connect, sometimes for what seems like no reason at all, but if you walk the path long enough you'll find the appointments to be divinely orchestrated. And we know that all things work together for good to those who have God, to those called according to his purpose, Romans 8:28 "Thank You Jesus."

Join us as we worship our Lord and Savior through music and testimony with Joe Arview.

In Christ,
Bro. Jim

Our church vans can pick you up to bring you to church and take you home after the service each week. You can save your gas, be dropped off at the door, and fellowship with others during the ride.

If you are interested in riding the van, or volunteering to help in this ministry, call the church office at 855-2018 or contact Lori Floyd.

We have had our annual Family Fun day at Venture River in Eddyville, KY and had a great turn out and lots of fun.

We are gearing up for our school year to start and for our new church year in September. We have a lot of plans and programs for the new year and the children's committee is prayerfully seeking God's directions for our children at W.H.B.C.

We are also collecting school supplies for our mission church in Gallaway, TN and our local schools here, so please donate generously for both of these school needs. Our kids will have Super Sunday water day on Sunday August 2nd 12-2pm. Bring your swim suit and towel and let's have fun!

Ms. Sarah

The youth have had a great summer but I think they are ready to get back into the swing of things with the beginning of the school year. We need to pray for all of our students and school faculty as they begin this new year. Let's commit as a body of believers to pray every day that God be evident in our students and teachers and to keep them safe.

Our youth will be taking an overnight trip to our mission church in Gallaway, TN on Friday night August 7th and they will need to bring sleeping bags and overnight stuff. We will leave at 5:30pm and stay at the mission house and help organize and hand out school supplies on Saturday August 8th. We will leave Gallaway about 3pm and travel to Jackson TN. to attend a free Christian event at Snider Barn. This will begin at 6pm and end approximately 9pm. Your student should be back in Trenton by 10:30 -11:00pm. They will need to bring money for supper that night.

We are also making plans for our See You AT The Pole event on Sunday night September 20th at the Pedestrian Park off the court square in Trenton, so keep this event in your prayers also.

Thank you, God bless,
Ms. Sarah
