**FROM THE PASTOR**

As our series on marriage continues, each week I pray that the marriage unions in our church grow stronger and more closely reflect the image of Christ. A series such as this is greatly needed in our culture today. Marriage is under attack and families are destroyed. I believe that destroying marriages is one way that Satan is working his way into the church. No matter how long you have been married or how strong your commitment is to one another, you can never safe guard your marriage enough. So continue to learn and apply the biblical principles taught through this series.

Even if you are not married, but plan on it one day, you can learn valuable life lessons from this series to apply when God has joined you with that perfect person. Maybe you have, or are currently going through a divorce, and you wonder what to do next. One of the many things that I have learned in preparation for this sermon series is that God loves and forgives. He wants to heal you from your brokenness. I pray that God will use the messages on marriage to speak to each person, married or not, to draw us closer to Him.

Serving Him,

**THE CHUCK WAGON GANG**  
**JULY 24**  
**7:00 pm**

Since 1935 the Chuck Wagon Gang has shared God's word in music all over the world. Dave Carter founded this Southern Gospel group and three generations later, it is still a family ministry.

The Chuck Wagon Gang performs some of their newly recorded hits, as well as the classics that made them famous.

There is no cost for admission, but you will have an opportunity to give a love offering to support their ministry. This is a family event that you will not want to miss.

Bring a friend and come ready to be blessed by great Southern Gospel Music, fun, and laughter.

**THE MIRACLE OF WORSHIP**

Worship is an encounter with the Almighty. The presence of His Holy Spirit is made possible because of the work of His Son, Jesus. It is like nothing else in the human experience. It's a miracle.

Our spiritual encounter in worship is one of the reasons we turn to music to aid our expression. Musicologists and music therapists know about the values of music in human experience such as healing, learning, grieving, and rejoicing. In Christian worship we encounter each of these at one time or another. In the light of biblical truth, we encounter them as formation into the family of God. Our worship is to know and do the will of our God and to be like Christ and live grateful lives in response to Him

Hymns of faith both ancient and modern, give us the opportunity to be as one family and participate in the answer to Jesus' high priestly prayer in John 17, "That they would be one."

I appreciate so much the Choir and their faithfulness. Rehearsal time is a time to prepare for our worship services but it is also a time to use the talent He has given you. Pray about joining the choir. We would love to have you.

In Christ,

Bro. Jim

Our church vans can pick you up to bring you to church and take you home after the service each week. You can save your gas, be dropped off at the door, and fellowship with others during the ride.

If you are interested in riding the van, or volunteering to help in this ministry, call the church office at 855-2018 or contact Lori Floyd.

We had a great Journey off the Map in VBS in June. We learned that no matter the circumstances and troubles we encounter if we trust God with everything, He will bless us and keep us in His arms. Our motto was "This is the way, Walk in it" Isaiah 30:21 and praise God, 9 children asked Jesus into their heart during the Wednesday night service. We adults could learn a lot from our children.

We are to be planning our annual Family day at Venture River. We will go Saturday July 25 leaving the church at 8:00 am. We will have a sign-up sheet for tickets and food to bring for our picnic. Anyone 5'4" and over will be \$24.00, 5'3" and under will be \$18.00. 2yrs. old and under are free. We have a great day of fun so join us and sign up by July 5.

Ms. Sarah

The youth had a wonderful time at VBS and spent part of the time in class and part of the time helping the teachers. This helped our youth get ready for mission week 2015.

We had a great time during mission week learning to be the hands and feet of Jesus. We did lots of hard work doing our community services in the mornings and Back Yard Bible club in the afternoons. God spoke through James Rogers, David Draper, Scott Thorson, and Marc McCall each night during our worship services.

Our young people at WHBC are a hardworking, fun loving, God worshipping group and we are blessed to have them.

I want to thank the adults that chaperoned and helped every day and worked as hard as our kids, also I would like to thank each Sunday school class that fixed our suppers. White Hall is such a supportive body of believers and our kids see this and learn from our adults. Thank you for being the examples.

We will have a youth and children's committee meeting July 5 at 3pm.

Thank you, God bless,  
Ms. Sarah
