

FROM THE PASTOR

VACATION BIBLE SCHOOL

Now that school is out and our young people are looking for something to do, we can point them to Christ through our Galactic Starveyors Vacation Bible School.

The kick-off event will be Sunday night, June 11 at 5:00. This will be a chance for our young people to be introduced to what God is going to do that week. The VBS begins the next night. It runs June 12-16 from 6:00-8:30 PM.

We still need adult volunteers. I want to also encourage you to invite any young person you know to come. Each year our VBS is one of the biggest and best things we do all year long. Be in prayer for this and come join us as we “discover the God of the universe.”

OUTREACH

Each Tuesday night church members go out into the community to share the love of Christ to prospects who have visited White Hall in the past. The way we do outreach varies from person to person. Some teams go and make a home visit; others write cards; some go and hand out our White Hall gameday tickets. No matter how we infiltrate the community, we know that Jesus is being proclaimed and God is receiving the glory.

I want to invite you to come at least one Tuesday night this month. The church outreach begins each Tuesday at 6:30 and we are finished by 7:45. I look forward to seeing you come share the love of Christ and represent the church that we all love within our community.

CELEBRATING WHAT GOD HAS DONE FOR 75 YEARS

The long anticipated service on April 30 has come and gone, but the celebration has not. We are still so thankful for what God has done in the last 75 years at White Hall. Souls have been saved and set on the road to discipleship in that time, and it is still taking place. Two new members have joined the church since the Celebration Service and because great things are still to come, I know that more people will join. More people will be saved. More people will be changed forever because of what our great God is doing. Praise be to Him, who gives us the victory, through our Lord and Savior, Jesus Christ.

Serving Him,

A FAVORITE HYMN

One of my favorite hymns is "Since Jesus Came Into My Heart" by Rufus H. McDaniel. It was introduced at a Billy Sunday evangelistic campaign in Philadelphia in 1915. His youngest son had died in 1914, and he penned this song to remind himself and others of the importance of faith, hope, and joy even in times of trial.

What a wonderful example of assurance and joy of salvation in a changed life. "What a wonderful change in my life was been wrought since Jesus came into my heart! I have light in my soul for which long I had sought, since Jesus came into my heart! Floods of joy o'er my soul like the sea billows roll, since Jesus came into my heart."

I encourage you to read the rest of this song or better still - sing it. This is a wonderful example of the transforming power of the Gospel, and that is precisely the message of this beautiful old hymn. God does bring "wonderful changes" in the lives of those who are saved through a personal faith in Christ. Experience the changes and you can't help but sing and share the love of our Lord Jesus.

Bro. Jim

We have had a blessed Awana year with our children. They have worked hard and accomplished a lot. God's word is growing by leaps and bounds in these young hearts and minds. We had our Awana awards dinner Sunday night May 21 and invited everyone to be a part of celebrating the accomplishments of our children. We will be taking a break during the summer from Awana studies but will be concentrating on missions. The children will be participating in local missions and studies on Sunday nights. Our Vacation Bible School will kick off on Sunday evening June 11 at 5pm with burgers and fixing, fun and games. Our nightly classes will be Mon.-Thurs 6-8:30pm and Friday night will be our family night starting at 6pm. We do have a van available if you will call the church before 3pm and give our wonderful secretary your name and address, under 5yo must have adult with them. We have a class for ages 4-92 so come register for a class and join us as we become Galactic Starveyors searching the visible to discover the invisible.

Well, May has been a busy month with a lot of ups and downs for our youth. We have reluctantly celebrated our graduating seniors this past month. I say 'reluctantly' because I and the youth experience joy but also sadness to see these young adults enter a new phase as they leave us. Zac, Cannon, Emily have been leaders in our youth group and we have enjoyed them tremendously. I know that God has a hand on each one of these youth and will lead and guide them faithfully. Our youth have been getting ready for VBS this month. They will each be helping in a class this year to prepare them for our upcoming mission trip. We will be traveling to Wapakoneta, Ohio to help serve Wapakoneta Baptist Church. We will survey and hand out materials in that community in the mornings and have several backyard bible clubs in the afternoons. We will also be joining in the church services for two different churches. Please keep our youth and counselors in your prayers as we seek to be God's hands and feet this summer.

Thank you,
Sarah Campbell

Areas of training will include "how to pray", "how to study the Word", "how to share your faith" and "how to develop genuine fellowship".
