

FROM THE PASTOR

Operation Inasmuch was an overwhelming success. At least 70 of our church members went to 15 different locations to show and share the love of Christ. We let our community know that White Hall Baptist Church loves them, but more importantly, Jesus loves them.

As we washed windshields at local gas stations, cleaned houses, replaced batteries in smoke detectors, visited the lonely in nursing homes, folded clothes at the local laundromat, we were able pray with those people that we came to love. We were able to distribute bibles and tracts. We passed out information about our church, and touched the lives of close to 450 people.

Think about that for a moment... In just one day, in the course of only three hours, we came in contact with almost 450 people and shared the love of Christ. Each stop I made at these 15 ministry centers, my heart grew with love and pride for my church. I know that Jesus was smiling as He watched us minister unto the "least of these." I cannot wait for us to have another Operation Inasmuch Day. But in the mean time, we can continue our ministering to those who need Jesus every day. Look for those opportunities to love others and pointing them to the cross.

Our annual Fall Festival has always been one of the largest events we do all year. This year was no exception and it was one of the best ever. I know that I say that every year, but praise the Lord, we keep on making it better each year. So many people came to have a great time. So many families with young children came that do not attend White Hall. Many of those came because they were invited during our Operation Inasmuch Day.

We now have many families that we need to reach out to and invite them to worship with us. I am sure that many of those who came do not know Jesus Christ as their Lord and Savior. If all we do is have a huge event and leave it at that, then we are missing the point as to why we had the event in the first place. Now we need to go visit those who came to our Fall Festival. That is where you come in. White Hall Baptist Church needs your help in contacting these guests, either by phone, by mail, or a personal visit. Please let us know that you can help us reach more for Christ.

Thank You Lord

The season of Thanksgiving is a special time to express how grateful we are for the many blessings the Lord has given to us. The song, "Thank You Lord", is a great way to express to Him our thanks and gratefulness:

"For all that You've done. I will thank You.
For all that You're going to do.
For all that You've promised
And all that You are
Is all that has carried me through.
Jesus, I thank You.

Thank You for loving and setting me free.
Thank you for giving Your life just for me.
How I thank You.
Jesus, I thank You.
Gratefully thank You.
Thank You."

Sunday, November 12, we will be expressing thanks also for our Veterans for their service and sacrifices they have so freely given to our country. America. Join us as we salute and recognize them on this special day.

May God richly bless you and your family this Thanksgiving. We love and appreciate you so very much.

God bless,

Bro. Jim

.The children had a great time at their annual fall retreat. Our theme was prayer and to see these little children kneel down and pray from the heart was an incredible privilege. Our children are working hard in Awana and Bible drills and it is amazing what these young minds can retain. We are also practicing hard on our Christmas program and we at WHBC have some exceptional vocalists in our children. I want to take this opportunity to thank the parents of all our children for allowing them to be a part of this church ministry. They are such a blessing to me and everyone that works with them. I want to wish all the teachers and parents and children a very Happy Thanksgiving and God bless you.

The youth had a busy month in October. We helped at Gallaway, Tn and we have a very hard working group that helped with their supper Saturday and then sorted through and packaged 80 boxes of food for people in need. Also several of our boys and girls helped with the OperationInAsMuch day, working at the laundry mat, service stations, and nursing homes. We are truly blessed at WHBC by our youth and their willingness to give of their time and energy. We will be on Fall retreat the first weekend in November and the theme is something we have been working on for a month. We will finish up the True love Project that weekend and will have a True love waits ceremony at WHBC Sunday evening Nov.5 @ 6pm. The true love project promotes and teaches purity in the body, mind, heart and emotions that is contrary to what most of our youth learn from the world but this curriculum teaches God's design for intimacy is through marriage. I want to thank all those that help lead and guide our youth at church and thanks and God bless to the parents of our amazing youth.
Happy Thanksgiving to Everyone!
Sarah
