The Great Commission Sunday School Rally

Saturday, March 12
9:00-11:30 in the Fellowship Hall
Breakfast will be provided

Sunday School is the heart of the church. It is important that we take care of our heart. We want our Sunday School classes to be as healthy as they can be so that our church will be as healthy as it can be. Ken and Jan Marler will be coming from LifeWay to share with us how make the heart of our church as healthy and productive as it can be. Ken will share with the adult and youth workers. Jan will work with the nursery and children’s workers.

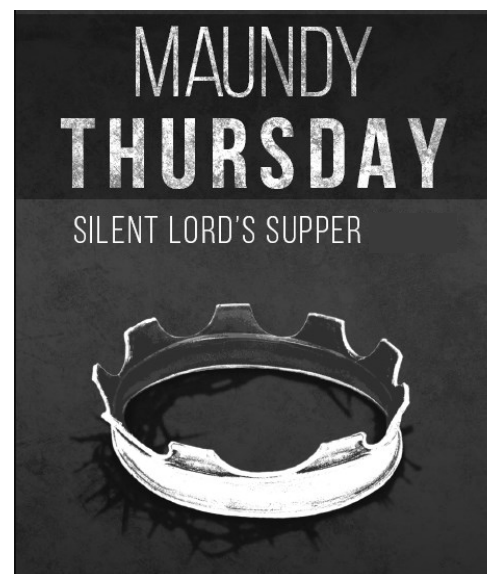

If you are involved with or love your Sunday School class, you are invited to attend our Great Commission Sunday School Rally. How will this rally benefit you and your Sunday School Class? We will:

- ◆ Discuss how to be a Great Commission Sunday School
- ◆ Learn how to best use your resources
- ◆ Learn to help each member in your class discover and use their spiritual gifts
- ◆ Learn the four main areas of Sunday School: purpose, organization, leadership, outreach
- ◆ Learn how to disciple members to become leaders
- ◆ Discuss that before we can “think outside the box” we must know what needs to stay “in the box”
- ◆ Learn how Sunday School should promote transformational living

Maundy Thursday
March 24
6:00-8:00

The Thursday before Easter is considered to be the day that Jesus ate the Passover meal with His disciples. This year we are going to offer a service for you to celebrate the death, burial, and resurrection of our Lord and Savior through a silent Lord’s Supper. You are invited to come at any time between 6 and 8. You will receive a guide to help you pray silently for forgiveness and cleansing so that you may righteously partake of the Lord’s Supper. Then, as the Lord leads you, you may come to the altar to receive the elements of the Lord’s Supper. This will be a service that you and your family will not want to miss. You will undoubtedly be drawn closer to the Lord through this time of prayer and worship.

THIS IS MY FATHER'S WORLD

Remember the Bible story of David's conflict with the Amalekites? "Then David and the people who were with him lifted up their voices and wept, until they had no more power to weep.....David was greatly distressed for the people spoke of stoning him because the soul of all the people was grieved, every man for his sons and his daughters. But David strengthened himself in the Lord his God." When things got so bad and looked so bleak, David paused and turned to God for strength and direction. Folks, we must remember Whose we are and Whose world this is. The song, "This is my Father's World," speaks volumes to our souls:

"This is my Father's world, And to my listening ears
All nature sings, and round me rings, the Music of the spheres.
This is my Father's world; I rest me in the thought
Of rocks and trees, of skies and seas-His hand the wonders wrought.

This is my Father's world, the birds their carols raise,
The morning light, the lily white declares their maker's praise.
This is my Father's world; He shines in all that's fair.
In the rustling grass I hear Him pass, He speaks to me everywhere."

Only a small pause and our focus on God give us renewed strength to carry on. As Easter fastly approaches, be aware of God's working around you and where He needs you.

Pray for the choir as we prepare "At the Cross", "Mercy Tree", and "At the Table". You are truly in store for a great blessing.

Love, Bro. Jim

SEASONED SENIOR EVENT

March 12, 2016

**Mallard's Huntingdon TN
We will meet at WHBC at 4pm**

Our children continue to amaze me at WHBC. God is pouring Himself into these young minds at our Awana club on Sunday nights and we are hoping that these children will join our Sunday school classes on Sunday mornings at 9:30 am to continue the process of learning all about God and His Word. We have great teachers here at White Hall that love to share Jesus with our children.

We are looking forward to our annual Easter egg hunt on March 20 from 12-2pm. Bring your baskets and be ready for some fun and also learn about Jesus's amazing love for us.

We will have Awana night during church services on March 27. The kids will be showing you what we do during our Awana meetings. There will be no Awana on April 3rd due to our spring revival.

Keep our children and teachers in your prayers as God continues to use this future church.

Our youth did a fantastic job at the Valentine's banquet and presented a moving program all about God's love. I am very proud of this group and our church family's generosity. I want to thank everyone that came out and brought food and gave to our mission fund.

Our plans to join the Appalachian Service project are progressing full speed ahead thanks to you. Our youth will be participating in Freedom Weekend conference through the "Strength to Stand" organization on March 4-5 in Jackson TN. The cost is \$25.00

The youth will have youth Sunday on March 6th, our kids will be teaching the classes and filling in the choir and leading the singing that morning.

On April 2 we will be traveling to Gallaway to help them with their annual Easter egg hunt and then will come back to Humboldt Plaza and watch the new movie *God's Not Dead 2*.

As you can see our youth are a busy bunch but I can't think of a better way for them to occupy their time than to learn to be the hands and feet of Jesus. Thank you all for your support of our WHBC children and youth ministry.

God Bless,
Ms. Sarah

TMA COMMUNITY SERVICE

The Trenton Ministerial Alliance consist of a variety of churches of different denominations. The TMA allows churches in Trenton to pool resources together to help families in the community who are in need. The TMA helps families with utilities bills so that their electricity is not cut off during the cold winter months or the hot summer months. The Alliance also helps point people to where they can find help with food and clothing.

Twice a year the TMA churches have joint services at various churches in our community. This will be the third year that White Hall has hosted the Palm Sunday service. At each joint service an offering is taken to help continue to minister to those in need in the community. Pastor Jason Bowen of First Baptist Church, will be preaching the message from Matthew 21:1-11.

Each day at noon a lunch will be provided along with an Easter message.

some of these folks and they might surprise you how quickly they return.

Next, revival retains the new Christians and members. By working on revival teams, these new people are giving and not just receiving. All the while they are making new friends and building relationships.

Finally, and most important, revival redeems the lost. It is a proven fact that when churches have revival meetings, the baptism records are higher for that year. People are still saved in revival meetings. Nothing will do a church more good than for a great number of lost people to be saved. It will refocus the heart of the church on evangelism once again."

I want to encourage you to begin to pray for our upcoming revival. I call this 1@1. One minute of prayer at 1:00 each afternoon. Pray for these fours reasons why you and others should be at our revival services. I am excited about how God is going to move during our revival, and I hope you will be too. Come and join us.

REVIVAL

APRIL 3-6

Our Spring Revival is right around the corner, and during a busy period of time of the year. So you may ask the question, "Why should my family make an all-out effort for the revival?" Our evangelist, Dr. Don Whitt answers this question with four reasons.

"First, revival renews the spiritual life of Christians. So many Christian lives are stuck in a rut today. The challenge and the thrill are gone. Here is an opportunity for them to get in on something fresh and new that God is doing.

Secondly, revival reclaims those who have wandered away from the church. This is a perfect opportunity to involve those dropout members with a place to plug in again. It affords the church a window to say we need you. Involve
