- Please make sure your child is wearing shorts underneath their dress or skirt

Swimming Lessons

Concordia is offering swimming lessons to the Owl's Nest class in August. The dates are the 6-16th with one session at 1PM and another at 1:30PM. Please let me know if you are interested as I have the sign-up sheets all ready to go! The cost is \$48.00 to Concordia.

<Family Picnic>

Will be held at the Whistle Stop Park from 6-8 PM on June 21st. Every classroom already has a sign-up sheet hanging on their door with what their room is in charge of. We are really excited for this little event, to have all of us together outside of work and daycare to just sit and visit while the kids play on the playground!
