Fire Drill Log

Licensing Standards require that fire drills are held **every six months**, and a report is kept that becomes part of your renewal file. You also need to have a fire drill **any time a new child comes into your home**. Homes with **6 or more children** are required to have documented fire drills **monthly**. Please make additional copies of this form as needed.

Please complete the following Fire Drill Log Report for the past licensing year.

Date of Fire Drill: _____ Starting Time: _____ Ending Time: _____ Location: _____
Names of all people present: _____ _____
Comments: _____
