Subject: AOPA Flight Training Excellence Poll

I am excited to share the great news that you are one of eleven instructors in the U.S. to receive the title of “**Outstanding Flight Instructor**” based on the results of the 2013 Flight Training Excellence Poll! We plan to do a press release in advance of AOPA Summit to get better exposure for the Flight Training Excellence Awards. But, until we do the press release, please do not publically post or announce this information yet, until I give you the green light.

The awards ceremony for the Flight Training Excellence Awards will be during the Flight Training and Pilot Community Summit in Ft. Worth on Oct. 9, late afternoon. To help get you to Ft. Worth, AOPA can provide you and a guest with complimentary exhibit and seminar badges to AOPA Summit and invite to you attend either the “Chow Down in Cow Town” event on Friday or the Hangar Dinner Dance on Saturday. Please let me know by Sept. 13 whether or not you can attend the awards ceremony and AOPA Summit. Here’s a link for AOPA Summit to learn more about the Friday and Saturday events. <http://www.aopa.org/summit/>

If you can’t make it to AOPA Summit and Ft. Worth, no problem. I will make sure you get your plaque and additional goodies for winning this awesome title!

Lastly, I will be on vacation next week. Please reply all when responding so my colleague Brittney Miculka can receive your response in my absence.

Congratulations! Well done!

All the best,
Paula
