Failing to provide information may invalidate your insurance and render you liable for all losses howsoever sustained, including claims by third parties.

You must provide true and complete information for our insurers as requested on the booking form (paper form and online) at least **10 days** before the hire period commences. If you make your hire booking less than 10 days before the hire is due to commence, all information required by the insurance company **must** be provided at the time of booking. This is to ensure that the insurance company can confirm they are willing to insure your chosen driver(s). Failure to provide this information within the time specified may result in us being unable to proceed with your booking.

Should you fail to provide the required information in time and your booking is cancelled as a consequence, our policy on cancellation fees applies.

You are advised to take out your own personal effects and travel insurance to cover items not part of the insurance, last minute cancellations etc.

The van has comprehensive insurance for the first and any other named drivers. Insurance is **ONLY** for our van. The interior equipment, windscreen, tyres, under carriage and roof rack are **NOT** covered by the insurance, the hirer is fully responsible for any damage or loss to these items and will incur costs. Payment for this will be taken from the security bond, however if these funds are insufficient to cover the total cost the hirer will be responsible for payment of any shortfall

We are not responsible for any damage in connection with any accident or breakdown caused by you, nor are we responsible for any loss from the van. Our insurance policy protects us and any authorised driver against legal claims from any other person or for death or personal injury or damage to any other person's property caused by use of the van on the road, on condition you report all such incidents to us during the rental period or on return of the van (and you are using the van within the terms and conditions and those of our insurance company). The terms and conditions of our insurance company are included. In the event that any third party suffers death, personal injury or damage to property caused by use of the van which involves a breach by you or any authorised driver of any of the terms and conditions of this Agreement, and that of our insurance policy, or our **Health and Safety Guidelines**, you agree to reimburse us if we are obliged to compensate (a) the insurers for any payment they make to a third party on your behalf and/or (b) any third party.

Excess

The hirer is responsible for a standard excess of £1600 for UK license holders (your 'risk factor' may incur a small increase in this figure) in case of accidental damage, fire, theft or third party damage.

The hirer may want to take out insurance to cover this excess. We offer a collision damage waiver excess insurance, to be taken out at time of booking to cover the first £1500. The hirer will however be responsible for any remaining excess that exceeds the £1500.

Security / Damage Deposit

A full inventory will be carried out prior to the rental in the presence of the hirer to cover both parties. At the time of collection a security/damage deposit of £800 is held as a Pre Authorisation on your credit card. On the safe return of the van, in the condition in which it left our workshop subject to an inspection satisfactory to us, this Pre Authorisation will be cancelled within 5 days. This must be held to cover the possibility of damage (whether negligent, wilful, accidental or otherwise) or loss to the van or the fixtures and fittings therein or the living equipment and windows, wheels, tyres etc included with the van. The van and all its equipment must be returned in good condition, with no damage to it, its contents or any third party property. Should there be any damage or requirement for any repair, replacement or special cleaning, deductions will be made honestly and fairly for making good any damage to the vehicle and equipment that has occurred during your hire of the camper and the remainder will be returned within 5 days.

You irrevocably authorise us to deduct from the security deposit any amounts due to us arising out of this Agreement. If we are not holding your card information, then you agree irrevocably to pay all charges upon request. In the event that there is a claim we reserve the right to retain the security deposit for such long a period as is necessary to quantify the charges incurred which are to be deducted from the deposit. Note: Where you have opted for the Collision Damage Waiver option, no excess will be charged in the event of a collision, but you should be aware that the £800 security deposit will be used towards funding any loss or damage whatsoever to the van or its equipment, fixtures and fittings that are not covered under the insurance policy.

Where no CDW has been taken, the £800 security deposit will be used towards funding any loss or damage whatsoever to the van, equipment, fixtures and fittings as well as payment towards the insurance excess. Where the security deposit is insufficient to cover the costs, you will pay any additional amounts due. These will be invoiced as appropriate and you authorise us to deduct any sums due from your card in respect of such amount. Where charges are incurred which result in your security deposit being debited we will provide you with an itemised invoice detailing the charges incurred by you. Your signature on the rental agreement gives us permission to deduct all charges from your card within 7 days of the issue of an invoice.

If we are not holding your card information then you agree you to pay all charges upon presentation of the invoice.

Payment of Charges

All charges and expenses payable by you under this Agreement are due on demand by us. If you do not pay all charges due, a late charge of 1.5% per calendar month on the outstanding balance and any collection costs incurred by Cumbria Campers, including reasonable legal fees will be added. When you comprise more than one person, each person is jointly and severally liable for all obligations of you pursuant to this Agreement.

Payment by Credit Card

Where payment is paid by credit card, you agree that: a) we are irrevocably authorised to complete any documentation and to take any other action to recover from the credit card issuer all amounts due pursuant to this Agreement of the Security Deposit and the hire charges payable; b) you shall indemnify and keep us indemnified against any loss incurred (including legal costs) by reason of notifying a credit card issuer of a dispute; c) we may process the credit card voucher. In the event that we elect to accept payment of the Security Deposit by holding an open security payment (which may be cancelled 5 days after the completion of the Rental Period), you agree that we are entitled to obtain payment from the credit card issuer pursuant to the paragraph above (a) in respect of any amounts due which are not known at the time of cancelling the open security payment..

Care of the vehicle.

The Volkswagen Camper is a classic vehicle. They are over 40 years old and should be driven with this in mind. Part of the attraction is the change of pace a Cumbria Camper imposes - acceleration comes eventually and top speed should be regarded as 55 mph! It may be tempting to exceed this given a downhill run and a following wind but please - don't. The engines will be reliable and go on and on provided they are not over stretched or over heated. We are now used to modern cars with huge service intervals but these old vans benefit from a daily check on the oil level and fan belt, please.

Maintenance

- The hirer is responsible for conducting minor maintenance checks, throughout the hire period.

- Maintenance check includes:
 - i. Correct tyre pressure
 - ii Daily oil and a fan belt check.

- If you are unfamiliar with the location of any of the above parts or the correct procedure for checking, you should request a demonstration from us prior to departure. There is an information booklet within the camper.
- Please react immediately to any red warning lights illuminated on the dashboard. Pull over in a safe place and seek assistance. See roadside assistance documentation for details.
- The hirer is responsible for regular vehicle checks, failing to do so may result in damage to the vehicle. Any cost incurred as a result of neglect will be charged to the hirer.
