

Tender Juicy Flavoursome Steak, there's more to the package than meets the eye ...

SUPER SOAKER PAD

SUPER SOAKER PAD -XTRA

The Super Soaker Pad- Xtra soaker pads offer extraordinary performance.

The super absorbent polymer crystals together with the absorbent backing material quickly absorb any excess moisture.

These pads have proved to retain all the moisture they absorb - even when much greater pressure than would be applied in normal use is applied.

Super Soaker Pad - Xtra are available in any size.

32g, 40g, 45g, 65g, 90g and 150g are popular sizes with our Customers.

- 32g, to 90g Super Soaker Pad - Xtra supplied in a perforated strip of 3 pads. 1, 2 or 3 pads can be used as required to fit the tray/product.
- 150g + Super Soaker Pad - Xtra supplied as a single 3-cell pad which enhances the performance of the pad by ensuring the even distribution of absorbent crystals. They will not gather at one end of the pad.

SUPER SOAKER PADS:

- ◆ Only absorb excess moisture exuded; they will not dry out the product itself
- ◆ High absorbent capacity
- ◆ These soaker pads offer a very rapid absorption rate
- ◆ Available in any colour to suit the product and packaging
- ◆ Packed in quality cartons for easy identification
- ◆ Suitable for contact with food
- ◆ ISO9001:2008 and ISO13485:2003
- ◆ HACCP approved

SUPER SOAKER PADS

can be manufactured to your exact specification, any colour or size can be manufactured to request.

Choose your size... choose your top colour...
choose your backing colour... **ITS EASY!**

We can supply soaker pads to match your Company specific requirements.

Whether you are packaging red meat (eg: beef, lamb), white meat (eg: veal, pork), poultry (eg: chicken, duck, turkey), seafood (eg fish), fruit or berries there will be excess moisture that needs to be dealt with.

The removal of excess moisture not only improves the presentation of the product to consumers but also extends shelf-life and reduces bacterial growth.

Adding a **SUPER SOAKER PAD** to your prepacked trays, vacuum bags, punnets and shrink bags will ensure that you deliver the best possible product to your customers.
