Please share this email thread with the board of directors as you are my Ontario Director. Additionally please share with the NFA membership.

I will check with our webmaster on that, as my understanding was different.

Thanks,

That is not so Sheldon, that comment box was there long before my case. I saw it. And copied the page.

Yes, I am. If anyone had done so, and I don't believe anyone did, they would have been directed to Burlew.

My recollection is that donation option was set up specifically for McCosh long after your case had faded from view. As McCosh is now being paid out that option is gone. As was reported to directors at the AGM, it was not heavily used.

We don't fundraise for individuals, but we have directed donations to lawyers in trust.

No it is not clear Sheldon.

Are you claiming that even though there is a box on the donations portion of the NFA web page, that nobody entered my name in that comment box to direct contributions to my case?

Zero. Absolutely nothing - there is no Ian Thomson legal fund at NFA. People wanting to donate to Thomson were directed to Ed Burlew in Trust.

The NFA itself donated thrice to that fund to total \$10,000. I am sure that you are suitably grateful for our support.

The only individual we collected for was McCosh, which was an unauthorized commitment made by a former employee which we chose to honour. That money is being paid out, and that option for donation is closed.

The NFA does not fund raise for individuals.
I trust that is clear.

To the board of directors of the NFA.

I am frequently questioned as to how much monies have been or are donated to my legal fund.

Please provide me with a detailed account of all monies donated including all monies contributed through the NFA web page which were to be assigned to my fund via the comment box which gives the contributor the option to direct their donation to a specific case. Please included the names and contact information for those who donated to my fund.

Sincerely

Ian
