**SYMETRA**  
TOUR  
ROAD TO THE LPGA

**Symetra provides annuities, life insurance and employee benefits that help people live with financial security and confidence, and we've done it for more than 60 years.**

**Visit [www.symetra.com](http://www.symetra.com) to learn more.**

**Welcome to the 2018 Symetra Tour Championship!** After traveling to 20 tournaments in 17 different states, we've arrived back in Daytona Beach, Florida to award ten LPGA Tour cards for the 2019 season. These players have poured their hearts and souls into trying to realize a lifelong dream of playing on the LPGA Tour. I'm proud of all the players that have battled throughout the course of the season and now is the time to sit back and watch some great women's professional golf in Daytona Beach.

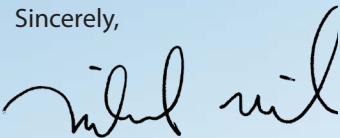

The Symetra Tour has blossomed into the premier proving ground for players from the U.S. and around the world to achieve the LPGA dream. It's truly a mini Olympics that will descend on Daytona Beach. You'll see players from nearly every continent represented.

Nothing gives me more joy than watching players like Nelly Korda, Madelene Sagstrom, Jaye Marie Green, Gerina Piller, Mo Martin, Cheyenne Woods, Annie Park and too many to name go from new professionals to rising stars on the LPGA Tour. As a full-time resident of Volusia county, it gives me great pleasure to bring this high-class international event to the area year-after-year.

I want to thank the community of Daytona Beach for believing in women's golf and providing a stage for our grand finale. The LPGA is proud to have our headquarters in Daytona Beach and there is no better place to have our championship than LPGA International. A special thanks goes to the City of Daytona Beach, the Daytona Beach Convention & Visitors Bureau and the many local supporting sponsors that allow us to host this Championship Event while raising significant funding for the Boys & Girls Clubs of Volusia/Flagler Counties. Over the last five years, the Symetra Tour Championship has raised nearly \$1 million for our local Boys & Girls Club.

Enjoy the golf this week and remember to keep an eye on many of the players next year as they compete on the LPGA Tour and in front of the Golf Channel cameras.

Sincerely,

Mike Nichols  
Chief Business Officer, Symetra Tour

**The Boys & Girls Clubs of Volusia/Flagler Counties** was established more than 25 years ago and has expanded services to 1,600 youth annually and eight Club locations. Much of our program expansion and success is simply because we have been able to mobilize top community leadership and support to our cause. Our organization is where it is today, because of the tremendous success of this event. We owe much gratitude to the businesses and leaders that have made this so successful.

The Boys & Girls Club is based on a foundation in three areas – a place, program and people. The success of this event can similarly be traced to a strong foundation in these three areas. This event, which has morphed from the Hospitality Open, to the Hospitality Invitational and then to Michelob Ultra – **Swing for Success** – sponsored by Daytona Beverages has become the premier charity event in our area. The leadership of LPGA International and its parent company Consolidated Tomoka working alongside Kevin Bowler, his wonderful staff at Daytona Beverages and the vendors and partners who have played over the years has made this week long event the biggest and best in our area.

For 20 years, the evolution of this event from a small 28 foursome tournament that raised \$2,000 in 1998 to a week-long happening. This includes a 5K run sponsored by Brown & Brown Insurance; poker tournament sponsored by Southern Stone Communications; reception at the Daytona International Speedway featuring Hot Laps, the LPGA's Symetra Tour Championship and ending with the Michelob Ultra – **A Swing for Success** has been a program that is constantly changing and improving. This year the events will add to the more than \$2,500,000 in money raised for our local Boys & Girls Clubs since its inception.

Finally and most importantly it is the people – the leadership of our community upon which the success of this event is based. When you have a great cause that makes a real and lasting difference like our Boys & Girls Club it motivates and involves folks to step up to make a difference.

On behalf of Club staff, youth, and families, we thank all the supporters and participants too numerous to name for their efforts and involvement. To give so much of your time and energy to our Boys & Girls Club demonstrates your commitment to the youth in our community. You have all helped to see the Club through many challenges and should take credit for, and pride in our accomplishments. It has been my pleasure to work with so many dedicated and caring people.

Sincerely,

**Joe Sullivan**

# SYMETRA TOUR CHAMPIONSHIP

The Symetra Tour Championship is back in Daytona Beach October 5-8 at LPGA International. Ten players will ultimately stamp their ticket to the LPGA. Since 2012, the Symetra Tour Championship has been the final event on the Road to the LPGA.

Rachel Rohanna collected her first win of the 2018 Symetra Tour season at the season finale Symetra Tour Championship on Monday at LPGA International in Daytona Beach, Fla. Rohanna carded a 4-under par 68 to finish at 13-under par and hold off charges from Yu Liu, Emma Talley and Benyapa Niphatsophon who tied for second at 12-under par.

"In years past I've always done well here, but I've never really quite pulled out the win," Rohanna said. "So, it's always good to end the season on a high note. This is definitely higher than a high note. It's been awesome."

Rohanna's game had been trending upwards at the end of the season as she's collected top-20 finishes in six of her last seven starts but it wasn't enough to boost her inside the top 10 on the Volvik Race for the Card. The rest of the top-5 - Talley, Niphatsophon, Yu Liu (T2) and Hannah Green (5th) all earned their 2018 LPGA Tour Card.

With her LPGA card already locked in for 2018, Hannah Green played with no inhibitions on Monday posting a bogey-free 8-under par, the lowest score of the tournament, for her 12th top 10 finish of the season.

# A COMMUNITY EVENT

## HISTORY

In the fall of 1998, the Michelob Ultra “A Swing for Success” began as a small fundraiser with 48 golfers and a nominal donation of \$2,000 to the Boys & Girls Clubs of Volusia/Flagler Counties. 20 years later, the event is now the flagship charitable event of the LPGA’s Symetra Tour Championship and the premier, “can’t-miss” charity tournament in Northeast Florida.

In 2012, the Symetra Tour partnered with the Boys & Girls Clubs and the Michelob Ultra “A Swing for Success” as the official beneficiary of the season-ending Tour Championship event. The partnership has resulted in a week-long community event that includes additional fundraising events – the Brown & Brown “Run and Walk for Success” 5K and the “Deal for Success” Texas Hold’em tournament presented by Southern Stone Communications. The leadership and hard work of the Blue Ribbon Committee and the tournament volunteer group make this week possible and allow us to contribute over \$140,000 to the Boys & Girls Clubs each year. Thanks to the generosity of our community, we have provided more than \$2,200,000 to the Boys & Girls Clubs to date.

WHO'S NEXT?

# MEET 2018 GRADUATE DOTTIE ARDINA

Dottie Ardina entered the 2018 season with dual status on both the LPGA Tour and Symetra Tour, but shifted her attention fully to the Volvik Race for the Card after five starts on the big stage. The decision was a good one for the Filipino standout, recording four runner-up finishes on the year (as of print deadline). Her strong play led her to capturing the Symetra Swift Award, presented annually to the No. 1 player in the Volvik Race for the Card at the halfway point of the season.

Since Ardina turned pro in 2013, she has a total of 15 top-10 results on the official qualifying tour of the LPGA.

Something you may not know about Ardina is that she had one of the most decorated amateur careers in the history of Filipino golf. She represented the Philippines at the Espirito Santo Trophy in 2006 and 2010, becoming the youngest player to ever compete at the World Amateur Team Championships with her appearance in 2006 at the age of 12.

*"To regain full LPGA Tour membership is a very relieving feeling. After starting the year with dual status and not performing the way I wanted to on the LPGA, it is very gratifying to have focused solely on the Symetra Tour and work my game back to a point where I know it should be."*

**RACE FOR THE CARD**  
**THE ROAD TO THE LPGA**

The Race for the Card money list is the official ranking system for Symetra Tour players during the season. At the completion of the Symetra Tour Championship, the top 10 earners for the year will capture a LPGA Tour card for 2019. Players began receiving Tour cards through the Symetra Tour in 1999. Since then, a total of 137 individuals have graduated from the Symetra Tour to play on the LPGA.

The battle to earn a spot on the LPGA Tour through the Race for the Card money list has become increasingly difficult. In 2017, three players earned greater than \$100,000 for the first time in Symetra Tour history. It was also the first time that a player did not win a single tournament, but still finished as the leading money winner. Every individual that earned a card had at least six top-10 finishes, and seven of the ten had at least eight top-10 finishes.

The Race for the Card is always entertaining until the final putt drops in Daytona Beach. Entering the 2017 Symetra Tour Championship, there were 13 players outside the top 10 that had a mathematical chance to finish inside the top 10. After Katelyn Dambaugh missed the cut it allowed Emma Talley to move up from No. 10 to No. 9. Meanwhile, sitting just outside the top 23, Rachel Rohanna finished first to claim the \$30,000 prize, but it wasn't enough to pass Dambaugh. The difference between earning a card and falling short was \$2,509.

## Tournament History

For two decades, the Michelob Ultra “A Swing for Success” has been the can’t-miss charity golf event in the Volusia / Flagler area and annually attracts close to 300 participants, 14 restaurants, and countless benefactors that generously give back to those less fortunate in our community. From its humble beginnings of 48 golfers and a nominal donation of \$2,000 in the fall of 1998, it has grown into a premier event as the “Monday After” Charity Tournament of the LPGA’s Symetra Tour Championship. Thanks to the generosity of our community, we have provided over \$2,100,000 to the Boys & Girls Clubs of Volusia/Flagler Counties to date.

## The LPGA’s Symetra Tour

The Symetra Tour is known as “the Road to the LPGA” and since 1999, it has been designated as the LPGA’s official qualifying tour. The mission of the Symetra Tour is to prepare the world’s best young women professional golfers for a successful career on the LPGA Tour. Each year, the Top 10 on the season’s final money list are awarded their LPGA Tour Cards upon conclusion of the Symetra Tour Championship.

## The Cause

In 2012, the Symetra Tour partnered with Boys & Girls Clubs of Volusia/Flagler Counties and the Michelob Ultra “A Swing for Success” as the official beneficiary of the season-ending Tour Championship event. Our goal is to continue to raise needed operational revenue to assure our children and parents who need us most can continue to count on the services provided by the Boys & Girls Clubs.

Boys & Girls Clubs of Volusia/Flagler Counties has served our community for over 25 years and provides a safe place for children to learn and grow, creates an atmosphere to foster positive relationships with caring adult professionals, delivers life-enhancing programs, and provides hope and opportunity.
