Dr. Scott Ventureyra will be presenting a talk “On the Origin of Consciousness”. In his recently published book, Dr. Ventureyra explores the idea of the Christian God and Creation in order to demonstrate that theology has something significant to offer in reflection of how consciousness originated in the universe.

Following the presentation, there will be a reception and those who wish may purchase a copy of Dr. Ventureyra’s book .

The Diocesan Week for Life, May 05th to Saturday May 11

We must not be surprised when we hear of murders, of killings, of wars, of hatred. If a mother can kill her own child, what is left but for us to kill each other...Abortion kills twice. It kills the body of the baby and it kills the conscience of the mother. Abortion is profoundly anti-women. Three quarters of its victims are women: Half the babies and all the mothers. *Saint Teresa of Calcutta.*

CATHOLIC EDUCATION WEEK - May 5-10, 2019

“Living as joyful disciples.”

During Catholic Education week, we give thanks for the gift of publicly funded Catholic Education in our province.

Catholic schools foster supportive communities where young people can experience the joy of God’s love and understand the Christian mission in the world. Together, our parishes, educators and families sow the seeds of faith with the next generation of Catholics, challenging them to live as joyful and faithful disciples.
