### **A message from Pastor Keith:**

I trust you will enjoy this church pictorial directory of the families and friends of Fairview United Methodist Church. May it become a keepsake that will inspire memories of the past and encourage us to the future.

As you scan each picture, recall that these are more than photographs, but represent the people we worship with, we cry and rejoice with, and do ministry with.

May God protect and preserve our church as we serve our community and His world.
