Official Rules & Guidelines

General Guidelines

- Contestants may check in from 7 to 9 am. Chili must be ready for sampling by 12 noon.
- Chili must be cooked on site and from scratch. This is a "home-style" chili competition. Beans and other fillers are permitted, as are canned ingredients (e.g., tomatoes), but NO home-canned ingredients, please. If peanuts or peanut oil is used, a warning sign must be posted.
- Contestants will bring their own tents, tables, cooking devices, extension cords and utensils. Two-ounce sampling cups and spoons will be provided.
- Contestants may not offer additional condiments (including but not limited to sour cream, cheese, onions, etc.) to the tasters. Tasters should be tasting the chili sample itself without additional garnishes.
- Each contestant or team of contestants should prepare enough chili for 3 hours of sampling – including 32 ounces to be collected at noon for judging. Chili submitted for judging may differ from that offered for public tasting. Two gallons is required; three gallons is recommended.

Judging Information

- All chili will be judged both by a panel of judges and by popular vote (People's Choice).
- Sampling will begin at 12 noon, after collection of sample for judging, and conclude at 3 pm.
- Winners will be announced by 4 pm.
- Results of the judges' panel will determine 1st (\$350) and 2nd (\$250) place prizes. If a minimum of five contestants enter the cook-off, a 3rd (\$150) place prize will also be awarded. A "People's Choice" prize of \$250 will be decided by popular vote.

Health and Safety

- Use good, clean methods of food preparation.
- Containers holding the chili MUST remain covered except when serving. The type of container must meet the Health and Safety regulations. All contestants must keep their chili at a serving temperature. Food items not stored in coolers must be stored up off the ground.
- Contestants may be subject to periodic inspections by County Health Officials to ensure compliance with all their Rules and Regulations.
- Each contestant or team is responsible for cleaning their area at the end of the day.
- Failure to comply with officials on any matter is subject to disqualification of the contestant(s). Decision of the officials is final.
- The sponsors of this event will not be liable for any event or contract failure whatsoever caused by weather, act of God, etc.
