## Itty Bitty Bug and Tumblebug Pre-school Gymnastics

KidsAmerica is pleased to offer a fully designed and equipped gym just for preschoolers!

**Itty Bitty Bug Parent and Child Class for Walking-2 years old with parent**

Itty Bitty Bugs is a fun, fast paced, music filled class consisting of gymnastics fundamentals such as: basic tumbling, preschool balance beam, mini-bar, eye-hand coordination activities, movement to music, coordination across the floor, stretching exercises, stations with slides, tunnels and a wide array of age appropriate movement challenges. Students are welcome to wear a leotard or comfortable clothing and bare feet. There is no dress code for parents.

**Tumblebug Gymnastics Entering 3K-4K**

Tumblebugs is a fun filled and movement packed gymnastics program! Classes consist of coordination across the floor, stretching, tumbling, bars, balance beam, and eye hand coordination activities sure to help your little athlete with any sport. Individual coaching is normally done while the group is working at a station because little bodies need to move!

Girls should wear a leotard or shorts with a top that does not ride up, have hair pulled back, and bare feet. Boys should wear shorts with elastic waist, a t-shirt and bare feet.

## Gymnastics

Girls should wear a leotard or shorts with a top that does not ride up, have hair pulled back, and bare feet.

## Tumbling

Entering 4th and up

Tumbling classes are great for the older student wanting to focus on floor skills. Students will be placed into age and skill appropriate classes. Classes will include: stretching and strength building exercises and tumbling skills. Girls should wear proper undergarments, shorts with an elastic waist band, shirt tucked in (or a shirt that will not ride up), athletic shoes, no jewelry, and long hair pulled back.
