

# “My Neighbour’s Home is My Home”

A Christian and Muslim series of educational events, working to build interfaith relations in today’s society ... drawing on our common roots and appreciating our differences.

Each session will present both a Muslim and a Christian perspective.

All sessions are at 7:00 PM

April 18	<i>Building Neighbourhoods</i> Church of St Stephen and St Bede 99 Turner Avenue	Idris Knapp Dave Chell
April 25	<i>Core Values: Stewards of all creation</i> Winnipeg Central Mosque 715 Ellice Avenue	Ismael Mukhtar The Rev. Dr. Jane Barter
May 2	<i>Human Equality: A Human Right</i> St James Anglican Church 195 Collegiate Street	Omar Siddiqui The Rev. Margaret Mullin
May 9	<i>Women as Builders of Our Community</i> Winnipeg Grand Mosque 2445 Waverley Street	Anisa Isse Brita Chell

These are two hour sessions followed by a break and a question and answer period. During the break, Muslims and Christians will have a five minute time of prayer in separate locations. Prayer is one of the things that unites us.

When attending the Mosques, please dress modestly (no shorts, short skirts or tank tops). Shoes are to be removed before entering the Mosque, so a pair of socks would help.

All sessions are free, but a basket for Free-Will donations will be at the door. The donations will go towards the Anglican and Muslim Uganda parish projects: a washroom for Myungwe's new health clinic and a boda boda (scooter) for Galatiya's clergy to use for travel.
