NEWSLETTER

CHRISTMAS 2015

Vice Squad

As 2015 draws to a close and people relax and possibly plan their activities for the coming year, I thought that we should send out a brief newsletter. In this newsletter is the notification of the AGM and an initial calendar for 2016.

From my perspective, the club has floated along in 2015. We have provided the administration for competitors who want a cheap club to get their licence and put on some good events. I see that we need to decide if as a club that is all we are going to do or do we try and put on more events for our members. The AGM is the place to tell the committee what you think the club should be doing.

My feeling is that the club can and should be doing more. To this end we are going to join the interclub championship and add some tarmac events into our calendar.

The AGM is also the place to put your hand up to assist. Some of our more experienced club members are retiring and leaving the sport. We need people to stand up and assist with the running of the club. That is all from me, look forward to seeing you all at the AGM.

Cheers, Peter Stringfellow.
