### New Name - Same Club

The most noticeable changes are to our name, look and feel, and logo. By changing the Club name, we are immediately announcing ourselves as welcoming a broader range of members, as well as better representing those we already have. Our new visual identity and logo build on this.

**Inspire** - Together we want to inspire more people to enjoy the great outdoors.

**Simplify** - We'll make the experience as easy and seamless as possible so you can enjoy the great outdoors your way.

**Pioneer** - At heart, we're explorers forever looking to learn, discover and innovate.

**Inclusive** - We're a diverse community of adventurers, drawn together by our passion for the great outdoors.

### Book Early to Avoid Disappointment

With more and more of us having a staycation in recent years we have noticed a rise in people booking earlier on rallies.

To avoid disappointment both in availability and entertainment provided on rallies please book early.

As a non-profit organisation all of our rallies are self-funded, the stewards are sometimes unable to fulfill the entertainment programme due to a recent trend of late bookings so please help us help you by booking early.

### Rally Secretary Update

I have some rally venues available for 2018. If anyone is interested in running an additional rally or running a rally for the first time please get in touch - Rallysec.dandccc@gmail.com

# Committee Vacancies

Do you enjoy rallies?

Could you spare 8 evenings a year for meetings?

Would you like to help, support and encourage fellow members?
