## Madam Chairlady

Dear Centre Members.

Now for those who don't know this information, at the AGM held in October at Harford Bridge. I have made D&C history, although other centre chairmen have stood in the position twice over the time in different years. I'm the first chairman/chairlady to stay in the position for 2 consecutive years, and I'm so excited and proud to represent the centre in this way. A foot step I'm hoping others will carry on throughout the years.

During the AGM I informed you of the charity for 2017/18 was going to be Learning Disabilities & Mental Health. However, following the AGM I have been informed that the centre is not actually a registered Charity although they do have a fund raising team who work actively to provide care, support and equipment for people with various Disabilities and Mental Health issues and a vast range of age groups.

During 2017/2018 I will still be raising funds for these people and if we are unable to provide monetary funds I shall endeavour to purchase equipment, materials and basic supplies that is required for an underfunded centre and hope you will support me with this project.

Best Wishes

Michelle
