Caradoc Ltd

Chairlady of The Devon &

Cornwall Centre

Dear Members

Thank you for allowing me the privilege and great honour of becoming your chairlady of The Caravan and Motorhome club, Devon and Cornwall Centre, for the second consecutive year.

Our Committee is made up of new and current members of which I am proud to be a part of. However, we only have a few Committee members and therefore, unfortunately, we may not be able to meet all expectations regarding rallies, but we will try our best to achieve 100% so please be patient.

Times are changing here within our Centre; Committee members are not as readily available as past years, due to work commitments, family life and economic costings of low incomes and fuel costs.

Through my role I have met many past and present members and made some amazing friends; with this in mind our Centre has blossomed. The Committee's confidence has also grown working in partnership with like-minded people and not forgetting the members and friends who are no longer with us.

I would like to say thank you to Euphine, Martin, Simon and Jason for supporting me through my year, and I wish them all the best for the future.

I would also like to thank all involved with making the D&C rallies happen year after year; stewards, assistant stewards and fellow helpers all make a difference in helping our Centre.

I am looking forward to meeting and greeting you in 2018.

"The 25th Anniversary Celebration of the Wessex!"

West Woodlands Showground, Frome

The Wessex is celebrating its 25th Anniversary this year and we have some treats in store for you. This is an action-packed weekend, where you and your family can enjoy many attractions and competitive events. There are many exciting new things to see and do.

On Friday night, come and join us for a barn dance with 'Push me, Pull You', then on Saturday afternoon, in the main marquee, you can have a cuppa with cake and see some of our ralliers' hobbies and pastimes. At the rally in 2016, we were treated to some crocheted items, wood working skills, quilting, scrapbooking, tatting, knitting and many more. If you have a hobby you think people will enjoy looking at, bring it along. The more the merrier! On Saturday evening, come and be entertained by our very own talented ralliers, in Centres Entertain! There are various competitions going on, including handicrafts, cakes, photography, driving and reversing, top notch entertainment, dancing, a pub quiz, illuminated windows and many other events. On Sunday evening there will be dancing to two live bands, so come and join us.

Want to find out more? Please see our website. Come and help us celebrate this prestigious event in the Wessex Rally calendar, over this Bank Holiday Weekend, **23rd August to 28th August 2018**, with an extra day on the **22nd** should you choose to join us earlier. We guarantee you a really great time!

Complete the booking form, available from your Wessex rep or a downloadable version from our website www.wessexrally.co.uk and secure your place for this wonderful bi-annual event. We look forward to seeing you all there!

Advice for First Time Ralliers

Firstly, choose the rally, then send a completed booking form and deposit to the Rally Steward whose name appears with the rally details. Give at least ten days' notice (holiday rallies require more notice) when booking; the Steward will not acknowledge your booking unless the rally is full. If you require confirmation of your booking please request this and enclose a stamped addressed envelope with your booking slip.

On some rallies you may need blocks and plank or a wedge (called a 'Prout' in our Centre) to level your caravan, your own toilet facilities and a container to fill the reservoir (toilets must never be taken to the drinking water tap), means of taking your dry rubbish home, drinking water container and filler pipe and a waste water container.

Before you set off check the site directions against a map. When you get near to the venue you will find rally signs to help you. These are yellow arrows, with D & C in black. Follow these to the site. When arriving on the site please keep to 5 m.p.h, there may be children running around. Stop at the Stewards caravan, which will be marked with a sign and let them know that it is your first rally. The Steward will give you an envelope, which contains details of the cost of the rally, an attendance list of those on the rally, a programme of events and a plaque if requested. The plaque is a small plastic memento of attending the rally. Please pay the Steward the money due and then they will assist you with pitching your caravan. When you have unhitched your caravan, please park your car on the offside (driver's side) of your caravan, this allows everybody their own space and allows access in case of emergency. The Steward will inform you of water, waste water and chemical toilet emptying facilities that are available. They will also tell you of any other information pertaining to the rally. Do not feel obliged to participate in any events that are being organised, your wishes will be respected.

FLAG POLE

There are two types of flagpole that take place at our rallies. The most common one is the closing flag which takes place towards the end of the rally. This is another opportunity for a social gathering where fellow rallier's meet, old friends gather for a chat, competition winners are announced and a raffle takes place. You will also find out about future rallies and other member information from the Flag Officer who represents the Centre Chairman.

On some holiday rallies you might have an opening flag which is held as a social gathering for rallier's to be briefed on planned activities for the duration of the stay.

CENTRE CODE OF CONDUCT FOR RALLIES

- 1. Current Membership Cards must be carried at all times and Members may be requested to produce evidence of Membership at Centre Rallies.
- 2. The Steward and the Committee have the right, under the Caravan Club By-Laws, to refuse the use of a Rally site to any Member. Any Member violating Club or Centre Rules may be asked to leave the Rally field by the Centre Chairman or his/her representative.
- 3. A Rally is not deemed to have been booked until the relevant non-refundable deposit has been sent to the Rally Steward, together with a completed Rally Booking Slip. **Post dated cheques** do not constitute a Rally booking deposit.
- 4. Please notify the Rally Steward, as soon as possible, if you are unable to attend a Rally you have booked. Members who book into a Rally and do not attend, will be responsible for any expenses incurred on their behalf, in addition to the pre-paid non-refundable deposit.
- 5. Rallies commence at the time stated in the Rally Book. Please do not arrive before that time. Weekend Rallies normally end on the Sunday afternoon and Members should not embarrass the Rally Steward by seeking to prolong their stay. The Rally steward may be able to advise whether arrangements may be made with the landowner to stay longer.
- 6. All Members must report to the Rally Steward on arrival at the site and await siting Instructions. Caravans will normally be sited with their front offside corner by the marker peg with the car alongside the offside of the caravan. The saving of spaces is at the Steward's discretion, but this is not always possible. Therefore if you wish to be sited together it is preferable to arrive together.
- 7. Rally plaques are earned by bringing your van to a Rally and occupying it. Please do not embarrass the Rally Steward by asking for a plaque if you have not done so. A plaque will only be supplied to those Members who have requested one on the Rally booking slip and have paid the appropriate fee.
- 8. The speed limit on the Rally site is restricted to 5mph. Only Members with full driving licences are allowed to drive vehicles on the site, with the exception of learner motor-cyclists proceeding to and from their vans. Driving instruction or practice on the Rally field is prohibited.

9. Vans should have between them, as far as possible, 11 meters from peg to peg.
10. Only properly made awnings will be allowed.
11. Separate tents will not be allowed except those used for chemical toilets and pup tents, by prior arrangement with the Rally Steward, sited adjacent to the caravan within the pitch area of the outfit to which it belongs.
12. The provision of toilets is not always available at Centre Rallies and therefore members are reminded that they should ensure they have their own facilities.
13. Waste water must not be allowed to discharge on to the Rally field and must be disposed of as directed by the Rally Steward. Chemical toilet contents must be emptied in to the elsan facility provided. Under no circumstances should toilets be filled or washed at the drinking water tap.
14. Dry rubbish should be taken away with you, unless advised of other arrangements by the Rally Steward. It must not be deposited in the chemical toilet pit. This includes disposable nappies and like material.
15. During inclement weather to avoid spoiling the Rally field, if it is deemed preferable for caravans to be towed on or off the site, other than by their own towing vehicle members are requested to co-operate. Any towing on or off will be done at the owners risk.
16. Domestic animals are to be kept under proper control at all times and on a leash of not more than ten feet when on the Rally field. Animals should not be allowed to foul the grounds in the vicinity of the Rally field, any fouling must be removed by the owner immediately.
17. All noise from radios, televisions, parties etc. must be kept to a minimum after 11.00 pm. Members are reminded that noise coming from within awnings is included in this rule.
18. Barbeques should be kept well away from caravans and awning. The Steward will advise Members if barbeques are not permitted or restricted to a certain area.
19. The playing of ball games, lawn darts, swing ball etc. must be kept away from caravans and motorhomes. The flying of kites over caravans is not allowed and the Committee point out that it is dangerous to fly kites near overhead cables.
20. Due to their silent approach, cycles should not be ridden between the caravans and motorhomes. The Centre is not liable for accidents and parents are responsible for any damage or injury caused by the careless use of cycles by their children.
21. Parents will be held responsible for any damage caused by their children to the site owners, or adjoining owner's property.
22. Any visitors to the Rally field should be asked to see the Steward on arrival. Visitors are the responsibility of the Member whilst attending any event.
23. Members who are knowingly leaving the Rally field before 9.00 a.m. should park their vehicle away from the rally site to cause the least disturbance to other Ralliers.
24. All Members must observe the Caravan and Country Codes at all times.
25. At the close of the Rally please leave your pitch clean and as tidy as you would expect to find it.
26. No event involving motor vehicles is permitted unless the necessary permission is obtained from the Centre Committee.
27. Members are reminded that the Caravan Club insurance does not cover personal accidents arising from Rally activities. A Personal Accident Policy is the Members safeguard in this respect.
