

WEST POINT HOSPITALITY

DryFast Laundry Guide

- Pre-sort Dryfast products from towels and top of bed items.
- Load dryer according to capacity (do not dry with towels or top of bed items)
- Wash with like colors
- Machine wash warm
- Only non-chlorine bleach when needed
- Tumble dry medium at 140 degrees**
- Drying time should not exceed 14 minutes
- Dryfast products should contain 10-15% moisture when coming out of the dryer
- Promptly fold and rack Dryfast products

****Over drying will cause damage and wrinkling to Dryfast products****
