

Martex[®] Spa Collection

bleach-friendly and benzoyl peroxide resistant

Experience the new Martex[®] Spa Collection, a perfect solution to product loss due to discoloration and cosmetic stains. This new innovative wash cloth is constructed to withstand chlorine bleach and resist discoloration from Benzoyl Peroxide, commonly found in many cosmetic products in today's market. Martex[®] Spa Collection products will maintain their color throughout their lifetime due to our Staybright[®] Exclusive Technology.
