

Vital Milk offers your patients a **free in-home visit*** by Certified Lactation Counselor (CLC) upon delivery of an insurance-covered breast pump. We provide this service to support breastfeeding mothers & to help ensure our clients know how to use an electric breast pump properly to establish, maintain or increase their milk supply.

*** We provide this service in several counties throughout the state of Massachusetts; please visit our website for an up-to-date list. In-store pick up & free shipping throughout the state are options as well.**

We supply the following 100% insurance-covered double electric breast pump models:

Hygeia Q

**Medela Pump In Style
Advanced Starter Set**

Spectra2

**Ameda Purely Yours
w/multiple size flanges,
a cooler bag and more.**
