

INDOOR PICK-UP ONLY TONIGHT

Due to sever temperatures forecasted for tonight, the FNA Pick-up has been changed. Parents will be directed to park on the Washington Street side of the building and pick-up the students in the building. Cars will follow the same pick-up route as previous FNA events, but will be asked to park when they enter the Washington Street lot. The Lake County Sherriff Reserve officers will direct the flow of traffic.

Inside pick-up will be between 9-9:30 pm.

There will be NO curbside pick-up or calling your child to come out and meet you.

Once parked, parents will be directed into the gym where they will meet the students. Please follow directions for what we hope will be an easy pick-up. If you wish, call or text your child as you're entering the building so that they will be looking for you.

Please let your children know about the change in the pick-up plan.

Parents who park at the Township and walk over, or those who walk from their homes, will be allowed to enter the building at the same time to pick-up their students.

Please know that it our goal to find an alternative to cancelling the dance, and to provide the children a fun and safe outlet.

Let us know if you have any questions-- youthservices@warrentownship.net or 847-244-1101 ext. *401.

Automated phone calls will be made in addition to this email.
