

## Engagement sessions starting at \$200 - \$350

*Add any of the options below to enhance your wedding*

### *Option 1. \$ 300.00*

*Digital save the date, a unique application that loads on your phone, tablet or PC, you email or text it to your guests. Choose up to 10 pictures from your engagement session along with a short video of you describing you're wedding plans and defining this as your save the date. It also has a Google map with the location of your event. All the information your guests need to get to your event on time. You can put web links like The Knot, Wedding Wire or gift registrations on this app.*

### *Option 2. \$200.00*

*Choose your favorite photo from your engagement session. We'll enlarge it to 11"x14" and then mat to 16"x20". When available, we are happy to lend our elegant 16"x20" frame which will be displayed on our easel. Your guests will be able to sign along the matted area. We will also supply the pens! This makes a beautiful wedding keepsake, which can then be transferred to your own frame and placed in your home.*

*Option 3. \$ 300.00 Up to 150 photos from your engagement session will be put together as a slideshow - complete with music and transitions. The slideshow will be shown on a framed 40" color television and displayed on our easel. This can be a unique presentation during your cocktail hour.*
