

"Talking," Prints

\$600.00

We make a short video of your event and with the use of a QR code placed on a picture any one can scan the QR code and view your video on any mobile or Wi-Fi connected device.

The idea is we take a video of your ceremony and also take a still picture of the event. We print the picture and you place it on your wall. Any one can walk up to the picture and scan the QR code and see the event that is displayed on your wall.

Package Includes:

1 hour of coverage.

Ceremony will be video recorded. Approximately five photographs of bride & groom will be taken.

Couple will choose one photo to be enlarged. Choose from 5"x7", 8"x10", 11"x14" or 12"x18" print size.

Small QR code will be inserted on print.

Additional prints may be ordered.

Pricing for any additional prints depends on print size and quantity.
