LED:		
Treatment time	30 minutes	\$70
<i>This treatment is \$50.00 when added to any Facial</i>		
LED is a painless, even relaxing skin-care treatment that plumps up aging skin by boosting collagen production and treats mild to moderate acne. Can also minimize fine lines and wrinkles, treat sun-damage and stretch marks. The recommended professional LED treatment protocol is six treatments a week or two apart, followed by a maintenance treatment every month or two.
