## Experience Chicago's Historic Architecture at this year's Cubs Trip

The Lake County Farm Bureau is pleased to announce this year's Chicago Cubs membership trip.

This year's trip will begin with an exciting tour on the Chicago Architecture Foundation River Cruise Aboard Chicago's First Lady Cruises, and will conclude with a visit to Wrigley Field to watch the Chicago Cubs battle the Milwaukee Brewers.

The trip will take place on Tuesday September 11<sup>th</sup>, and will include transportation to both of

the stops on the trip, tickets for the Chicago Architectural Tour, as well as a ticket to see the Cubs battle the Brewers.

This year's trip will feature an exciting tour of the Chicago River and its architectural landmarks. Professional guides will recount the dramatic story of Chicago's rise from the Great Fire of 1871 to become the home of skyscrapers and the cradle of modern American architecture.

Along the one hour route are buildings by world famous ar-

chitects including Mies van der Rohe, Skidmore Owings, & Merrill and Helmut Jahn.

There are a limited number of seats available for this trip, and as has always been the case with Farm Bureau Cubs trips we are expecting the allotted buses to fill up quickly.

Those who attend the trip will depart from the Farm Bureau office in Grayslake at 12:30.

After the architectural tour, and attending the Cubs game, the bus will return back to the Farm

Bureau office at approximately 11:30 pm.

This is a long day packed with lots of entertainment!

The cost to attend this trip is \$85 for members and \$95 for non-members. As previously mentioned, space for this trip is limited, and all ticket requests will be filled on a first come-first served basis.

If you would like to sign up to attend this trip please see the Trips/Events sign up form located on page 7.

## Spirit of Chicago Cruise Wednesday, August 15

The Lake County Farm Bureau would like to invite you to join us for a luncheon cruise on the SPIRIT OF CHICAGO located at Navy Pier on Lake Michigan.

The *Spirit of Chicago* is casual yet contemporary. The cruise offers an amazing view of the incredible Chicago skyline. The boarding will begin at 12:00 p.m. and the cruise runs from 12:30 – 2:30 p.m. After lunch you will have a few hours to enjoy Navy Pier, or visit Millennium Park (about 1 1/2 miles). There is a trolley that stops just outside of Navy Pier that goes to Millennium Park.

The bus will depart from the Farm Bureau Office at 9:30 a.m. and arrive back at approximately 5:30 p.m. The bus will leave from Navy Pier promptly at 4:30 p.m. for our ride back home.

The cost of the trip is \$90 for members and \$100 for non-members and includes the cruise itself, lunch, as well as transportation on a motorcoach to and from the event.

If you would like to sign up for this trip please see the Trips/Events sign up form located on page 7.

## U.S. MAILBOAT TOUR

### Thursday, July 19, 2018

Take a ride on the most exciting tour Lake Geneva Cruise Line offers – the *US Mailboat!* An actual mail delivery to lakeshore homes, the Mailboat gives passengers a front row view to some of the most remarkable scenery in the Midwest. In addition, the unique mail delivery will have you on the edge of your seat – the boat never stops and their agile and speedy mail girl must jump from the boat to the dock and back in order to make her appointed rounds!

The tour lasts approximately 2 1/2 hours. This tour has been featured in People Magazine, The Wall Street Journal and dozens of other publications. Carrying on a tradition since 1873, it is the only marine mail delivery of its type in the country. Loaded with passengers, mail and a very brave mailperson, the *Walworth* departs every morning for a Full Lake Tour. After the

excitement of the tour we will enjoy lunch at Sprechers Restaurant and Pub., which is located across the street from the boat docks.

The Mailboat Tour runs from 10:00 am – 12:30 pm and lunch is from 12:30 – 2:00 pm. Please plan to arrive at the boat at approximately 9:00, boarding begins at 9:30. I will be at the

# On-the-Road Seminar

## Motor Vehicle Regulations for Illinois Farmers

Trucking regulations can be complicated, and farm exemptions compound that complexity. Seems everyone has a different answer to your question.

Come join us at 1:00 on Tuesday, August 7th at the Lake County Farm Bureau office to find out what you need to know.

The Lake County Farm Bureau will be hosting a two-hour seminar that focuses on trucking laws—old and new—specifically for farmers. We'll introduce you to new rules and remind you of the old rules that still apply, and help you identify means of relief. We'll also touch on regulations that apply to travel between states.

Throughout it all, you'll have the chance to ask those farm trucking questions that everyone seems to have an opinion about, but no one can agree on an answer.

Trucking laws have been re-

shaped in recent years with more changes yet to come. Rules affected include: farmer exemptions, Harvest Season Emergency permit, longer trucks on local roads, Electronic Logging Devices (ELDs), anhydrous ammonia nurse tank movements, and proof of citizenship requirements.

Presenting the seminar will be Kevin Rund and Kirby Wagner who specialize in farm transportation issues for the Illinois Farm Bureau®. And you'll receive take-home materials covering these topics.

The seminar is free courtesy of your county and state Farm Bureaus®, but advance registration is requested. Please call Information Director Andy Blaul at 847-223-6506 or via email at [ablaul@ameritech.net](mailto:ablaul@ameritech.net) to reserve your place at this *On-the-Road Seminar*.

Come join us and get your farm trucking questions answered.

# Soil Testing at LCFB!

With Spring just around the corner the Lake County Farm Bureau would like to remind our members about our soil testing program.

There are three different tests available which will help you learn how to improve the soil in your lawn/garden.

### Why a soil test?

Soil in its natural state is rarely fertile enough for the best growth of plants. Usually it is necessary to replenish the earth's store of plant nutrients to obtain the most vigorous lawn, the most abundant and brilliant flowers, the prettiest trees and shrubs, and the greatest yield of fresh veggies.

### What is the best time to test soil?

Proper sampling is important to obtain accurate results. Samples can be taken any time during the warmer months, when soil temperatures are at least 55 degrees.

If the soil is too wet to spade, rototill or hoe, it is generally too wet to take a sample.

On the other hand, extremely dry soil should not be sampled either.

### How often should I test?

Ideally, soil should be tested every 3-5 years, more frequently with intensive use.

Try to sample during the same season each time for best comparison.

## SOIL TEST PRICES

	Basic Test	Lawn/Garden Test	Lawn/Garden Plus
Non-member	\$30	\$40	\$60
Member	\$20	\$30	\$50

**Basic Test** includes soil PH, Phosphorus (P1), & Potassium (K) with fertility recommendations.

**Lawn/Garden** test includes Basic Test plus organic matter and recommendations on amount & timing of fertilizer.

**Lawn/Garden Plus** includes everything from Basic and Lawn/Garden tests, plus micronutrients iron, zinc, manganese, copper, sulfur, and boron.

To learn more about the new soil testing program feel free to contact Information Director Andy Blaul at 847-223-6506 or via email at [ablaul@ameritech.net](mailto:ablaul@ameritech.net).

## LCFB Annual Golf Outing • June 21, 2018

The Lake County Farm Bureau would like to invite you to enjoy a day of golf at this year's annual golf outing. This year's outing will be held on Thursday June 21 at Deerpath Golf Course in Lake Forest. The day will begin with an 11:00 a.m. shotgun start. Deerpath requires all golfers to wear proper golf attire (no tank tops or cutoffs), and everyone must use a cart, walking is not permitted.

This year's outing will have a 50/50 raffle, mulligans and other fun events. UPDATE: All proceeds from this event will benefit the Northern Illinois Food Bank. After golf is complete all participants will enjoy dinner on the outdoor patio and a drawing for raffle prizes will take place.

Additional events include longest drive, closest to the pin, and longest putt competitions for both men and women.

Cost is \$55 per member and \$65 for non-members. This will cover the cost of green fees, cart and meal.

Please complete the form below and return along with your payment to Lake County Farm Bureau, 70 US Highway 45 Suite 120, Grayslake IL 60030.

If you have any questions, please contact Donna at 847-223-6506 or e-mail [dfreitag@ameritech.net](mailto:dfreitag@ameritech.net). **REMINDER:** Payment must be included with registration.

# AG in the CLASSROOM

## Farmer Talk

The words shown below are commonly used by beef farmers when referring to various aspects of their cattle:

- Heifer** - A young female from the time she is born to just before she has had a calf.
- Cow** - An adult female after she has had a calf.
- Bull** - Cattle that are male or un-neutered.
- Polled** - Cattle that do not have horns.
- Steer** - A male that is neutered and is used for mostly beef production.
- Cloven hooves** - Hooves split in the center or a two-toed hoof.
- Wean** - A process of removing a calf from its mother so it cannot nurse on milk.
- Cud** - Cattle graze or eat quickly and then bring up a small amount of food to chew into very tiny pieces. They spend many hours chewing this food, which is the cud.
- Feedlot** - A fenced-in area where cattle are fed concentrated feed for the last 300-400 pounds of their growth.

## Beef By-Products

You may be surprised to know that we get more than just meat from beef cattle. About 400 pounds of beef comes from each steer and the rest of the animal is used for by-products. By using various parts of the steers we use to create beef, we are able to use 99% of each animal. Some examples of additional items that are made from a steer are paint, crayons, piano keys, insulation, wallpaper, film for a camera, cosmetics, and insulin, which is used to treat diabetes. The list of additional products we receive from a steer goes on and on, so the next time you see a steer remember you don't just get your hamburgers from it, you also get a lot of other by-products that you use and enjoy everyday.

### has ZIP!

You might be looking at the title and saying to yourself what does "Beef Has ZIP" mean? Well beef is a good source of ZIP, which stands for Zinc, Iron and Protein. These three nutrients are important for girls and boys in their growing years. You might be asking yourself what makes Zinc, Iron and Protein important aspects of a healthy diet?

**ZINC** is a mineral the human body needs to grow, learn, heal, and keep itself healthy. Zinc is also important for attention, short-term memory, and problem solving. Lean beef is one of the best sources of zinc.

**IRON** is another mineral important to human health. Iron is needed for the blood to carry oxygen to cells. Without enough iron humans get tired, weak and grouchy. Older girls need extra iron and only 40% of those girls get enough of this vital substance.

**PROTEIN** is needed to build muscles, nerve tissue, blood, enzymes, hormones, antibodies, and organs, and is also needed to build, repair and maintain the body. Proteins are made up of amino acids. About 20 different amino acids can be found in protein. The body makes all but nine of these amino acids. No single plant food contains all of these essential amino acids. Animal sources of protein do contain all nine essential amino acids. Animal sources of protein are considered complete protein while plant sources of protein are considered incomplete.

I hope after reading this that all of your questions about ZIP have been answered and that you now understand how important Zinc, Iron, and Protein are and how they are important in your everyday life. Now every time you have a hamburger or a steak you know that you are providing your body with ZIP.

# Visit Amish Country

Lake County Farm Bureau members are invited to join our trip to Shipshewana, Indiana on **Tuesday, June 12, 2018**. A coach bus will depart from the Lake County Farm Bureau office at 6:00 a.m. for the 165 mile trip to Amish Country. We will have a movie for your enjoyment on the bus.

Once we arrive, participants will have the opportunity to begin touring the shops and flea market.

At 11:00 am, a traditional fami-

ly style Amish meal will be served at the Blue Gate Restaurant. Meal includes meat, potatoes, dressing, vegetables, salad, bread and your choice of pie. Meal is included in the cost of the trip.

After lunch, participants will have an opportunity to continue shopping and visit the flea market. Those looking for a little more adventure may opt to take a carriage ride around town, tour one of the many quilting, candle making or furniture shops or just relax under a shade tree in the center of town.

We will board the bus heading back to Lake County at 4:00 p.m., watch another movie and hopefully arrive back at the Farm Bureau by 7:30 p.m.

The cost of this trip for Lake County Farm Bureau members is \$55. If you would like to bring a friend that is not a Lake County Farm Bureau member, the cost for their trip is \$65. Registration and payment are due at the Farm Bureau office by Tuesday, May 29. The trip will take place, rain or shine, so please dress for the weather. If the trip is cancelled for any reason, you will receive a full refund. Otherwise, payment is non-refundable. Please see form below.

If you have any questions, please contact Donna Freitag at 847-223-6506. Please visit [www.shipshewana.com](http://www.shipshewana.com) for further information on Shipshewana, Indiana. **All times listed are Central Time.**
