Glue, then attach next strip; fold.

Mesopotamia, 4000-612 BCE

Glue rectangle below the timeline; dome goes over closed timeline.

Instructions
 AS we learn about each region, color code the civilization notated in the key and the corresponding region on the map and the location on the timeline. Fill in details near each date.

Directions:
 Cut out the title, map, instructions, and each of the 4 timeline strips. Glue the instructions and map at the top of the page. Glue the 1st timeline down completely below the map, then attach the strips as directed. Fold the strips so the notebook closes.
