

**Ancient Egypt,
3300-30 BCE**

Instructions
AS we learn about each time period, color code the location on the timeline and fill in details near each date. Note any corresponding region on the map with matching colors.

Glue rectangle below the timeline; dome goes over closed timeline.

Directions: Cut out the title, map, instructions, domed shape, and each of the 3 timeline strips. Glue the instructions & map at the page top. Glue the 1st timeline down below the map, then attach the strips as directed. Fold the strips so that the notebook closes.
