

Are you looking for a
quality educational program
for your little one?

Take a look at what the **Readiness Center** at **Carousel Academy** has to offer!

The **Readiness Center** focuses on the overall development of the student and offers two programs based on parent need, pre-academic skills, and the social/emotional development of students. (Please see program descriptions for age requirements).

To keep up with increasing academic demands, the **Readiness Center** incorporates age-appropriate, developmental, and curricular activities that are sure to provide your child with a strong academic foundation necessary for success throughout their educational career.

The following page highlights the philosophies of the programs that will be offered this coming fall at the **Readiness Center**.

Please call or e-mail today to schedule a tour:

Bright Beginners (Please call for pricing information).

Tuesday/Thursday

Morning Class: 9:15-11:15 (There is not an afternoon session offered).

Philosophy: This program will provide your child with a quality early childhood experience that focuses on the fundamental building blocks which help bridge the learning between home and school. Our mission is to create a safe and nurturing environment which will meet the needs of each student. Here, your child will actively engage in hands-on and theme-based activities which focus on both cognitive and language development. We strive to empower each child to make decisions, solve problems, be creative, use imagination, become more independent, build relationships, develop trust, and gain confidence. The opportunities here for exploration and play are endless. With our engaging curriculum, each child will develop an understanding of rules and routines, a positive outlook toward school, an appreciation for the world around them, and a lifelong love for learning.

Program Requirements:

- * Your child must be fully potty trained by the time he/she starts this program.
- ** Your child **must** turn 3 on or before January 31st of the school year in which they are enrolling (meaning your child may still be 2 when starting with us in September).

Shining Stars (Please call for pricing information).

Monday, Wednesday, Friday

2 Sessions Available: Morning 9:15-11:15 / Afternoon 12:30-2:30

Philosophy: This early childhood program strives to help prepare your child for a school setting. It is intended to support the four essential components of the English Language Arts: reading, writing, listening, and speaking. In addition we will further the development of your child's physical, social, emotional, and cognitive needs. It is an academically driven program for children that exhibit positive separation from family/caregiver, readily adjust to new environments, and have a strong foundation of the basic educational building blocks. This program encompasses letters/sounds, handwriting skills, expansion of mathematical concepts, lengthening attention span, further development of fine and gross motor skills, creative thinking, imaginative play, and more. The opportunities for student differentiation are endless.

Program Requirements:

- * Your child must be fully potty trained by the time he/she starts this program.
- ** This program is *highly recommended* for students the year before attending a Universal Pre-Kindergarten program.

Looking for something Monday through Friday? Please consider signing your child up for both programs, there is only one registration fee due and we will also discount your monthly tuition. (Please call for discounted pricing when enrolling in Bright Beginners and Shining Stars - you can choose both morning sessions or morning and afternoon).
